Section IV, Bulletin No. 33, 1941

IV Executive order -- Vesting certain powers in warrant officers of the Army. The following Executive Order (No. 8938) is published for the information and guidance of all concerned:

EXECUTIVE ORDER

Vesting Certain Powers in Warrant Officers Of The Army

By virtue of and pursuant to the authority vested in me by section 4 of the act of August 21, 1941, Public Law 230, 77th Congress, it is hereby ordered that whenever the duties assigned to warrant officers of the Army include (1) the command of stations, units, or detachments (2) the disbursement and administration of funds, including the certification of vouchers and pay rolls (3) the issue of travel orders, bills of lading, and transportation request (4) the receipt for accountability for, and administration of property (5) the certification and verification of official papers, or (6) the performance of similar routine administrative duties, such warrant officers shall be vested with all the powers usually exercised by commissioned officers in the performance of such duties.

Section I, Circular Number 363, War Department, dated 7 September 1944, is published below for the information, guidance and compliance of all concerned:

"I. APPOINTMENT. - 1. The following action will be taken in the case of an unsolicited application of a warrant officer or an enlisted man desiring initial appointment in the Army of the United States, other than through officer candidate schools, after it has been determined that applicant meets the basic requirements prescribed in paragraph 7, AR 605-10, 26 May 1944, and prior to completion of the application in accordance with the provisions of paragraph 10 of the same regulation.

a. Applicant's completed WD, AGO Form Nos. 0850 and 0850-1 (Personnel Qualifications Questionnaire) only will be forwarded through his immediate commanding officer to the Officer Procurement Division in the headquarters of the service command in which the application originates.

(1) If the Officer Procurement Division of the service command headquarters finds the applicant unqualified for appointment in a scarce category of specialized skills as defined in Memorandum No. W605-33-43, 17 August 1943, or in which the War Department has announced applications will be accepted, the service command will return the application through his commanding officer by appropriate indorsement.

(2) If the Officer Procurement Division of the service command headquarters finds the applicant apparently qualified for appointment in a scarce category of specialized skills as defined in Memorandum No. W605-33-43, 17 August 1943, or in which the War Department has announced applications will be accepted, the application will be forwarded to the Officer Procurement Service, Washington 25, D. C., for consideration by a using agency or for file against future requirements for officer personnel.

b. The Officer Procurement Service, Washington 25, D. C., will take the following action upon receiving such applications:

(1) If appointment is requested by an appropriate using agency the commanding officer of the applicant will be furnished with necessary instructions for completion of the application under the provisions of paragraph 10, AR 605-10, 26 May 1944.
