SUBJECT : Relief from Assignment as Staff Duty Officer, ACC.
TO : Adjutant, Allied Control Commission.

1. Reference is made to your communication of 17 May 1944, reference Adj/211, addressed to 1st Lieut. Dewitt Stora, CAC, Civil Censorship Group.

2. In accordance with prior telephone conversation, relief from this assignment has already been granted to Lieut. Stora. However, in support of request for such relief, and for relief from future assignment as Duty Officer, it is deduced that:

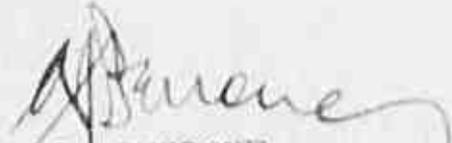

a. Lieut. Stora's duties require him to be subject to call at all hours.

b. Lieut. Stora is in charge of the Naples telegraph censorship station of the Civil Censorship Group, and is the only officer available for such duty, there being no other trained censorship officer available for relief which would be necessary after performing 25 to 26 hours of continuous duty.

c. Because of the nature of Censorship activities it is considered inadvisable and detrimental to assign collateral duties, such as periodic staff duty, to censorship officers in field stations, as in the case of Lieut. Stora. The headquarters of this activity is located at Salerno.

3. In view of the foregoing, it is requested that Lieut. Stora be permanently excused from Staff Duty, ACC.

SUBJECT: Failure of Duty Officer to report for duty.

TO : Colonel Albright.

1. On 21 February a notification of tour of duty as duty officer was sent to Major James Babcock, (A), Labor Sub-Commission, for duty the night of 21 February. Short notice was necessary because of the fact that the regular assigned duty officer was absent from this station. Several telephone calls from the clerk whose duty it is to maintain the duty officers Roster, failed to produce any acknowledgement of receipt of the notice. However, an enlisted man on duty in the office of the Sub-Commission told this clerk that Major Babcock was in the office. Approximately 10 days ago, Lt. Col. Junius R. Smith, (A), Labor Sub-Commission, called on the undersigned and stated that Major Babcock would not be available for duty as duty officer as Major Babcock was scheduled to be absent from the city. At 5:30 PM 21 February, Col. Smith telephoned the undersigned and once again stated that Major Babcock would not be available for duty due to absence from the city. In consequence ^{of} the foregoing the undersigned performed duty as Duty Officer himself. On the evening of 22 February the undersigned saw Major Babcock and in the presence of 2nd Lt. Richard L. Shadwick, (A), asked Major Babcock what time he got in on the night of 21 February. Major Babcock replied six o'clock. Major Babcock was seen at breakfast the morning of 22 February by WO(jg) Nicholas Piasino.

2. The above facts are presented for information. It is felt that the circumstances warrant no action. There have been, however, indications that the practice now in effect of granting excuses from or reliefs from tours of duty as duty officer upon certification from the senior officer of the section or sub-com-
