1. A large quantity of workers' canvas shoes were imported from America by this Sub-Commission and turned over to the Istituto Nazionale per il Commercio Estero for distribution to the civilian population.

2. The allocation is being handled by the prefects of the provinces including a few ^{ANG} of army areas. It has been impossible for I.C.E. to contact the latter as there is no postal service in these localities. 8:77

3. It is therefore requested that the Message Center forward the attached six (6) letters to the respective prefects to which they are addressed as this Sub-Commission feels it most urgent that the a/m shoes be distributed as soon as possible to the civilians in these areas.

SUBJECT: Leather Jerkins for MR's.

TO : HQ Comdt.

1. Despatch Riders of this HQ are frequently called upon to undertake details involving long trips into the forward areas, resulting in many hours of exposure to very inclement weather, which is invariably several degrees colder than the average temperature in this area.

2. In the circumstances it is considered that all the MR's should be equipped with leather jerkins, and it is requested that four such items be procured for issue to those MR's who are not already so equipped. One man is already in possession of a leather jerkin.
