SUBJECT: Publications

TO : DADPRS, HQ AAI, CMF

1. Reference my Adj 461. dated 7 April 1944 referred to in your Prints/4 dated 19 April 1944, my Adj 461. of 22 April 1944 and similar number of 4 May 1944.

2. Attached hereto is copy of my letter Adj 461. of yesterday's date to O.C., No. 9 Publications Depot, RASC, which is self-explanatory.

3. Also attached are envelopes, in which publications have recently been received, addressed to:

a. Military Government Holding Centre, BNAF.
b. Internal T/N ACC, CMF.
c. Staff Pool, CMF.
d. AMG Region 8.
e. AMG Region 9.

In this connection please refer to paragraphs 2 and three of my above letter of 7 April 1944

4. Issue No. 17 GROs was received by Region 3, AMG, who communicated with this Headquarters in respect of certain matter therein, prior to receipt of same at this Headquarters. This is one of several reasons why it is highly desirable that issue of publications to AMG/ACC units, with the exceptions stated at paragraph 4 of my letter of 7 April 1944, be centrally controlled by this Headquarters.

5. No effort is being spared to finally regularise the position, which as at present is most unsatisfactory. Your cooperation to this end is again requested and will be very much appreciated. If there is any other action which this Headquarters can take, will you advise me please.

TO : DADPSS, HQ, AAI, CMF

1. Reference your Prints/4 dated 19 April 1944.

2. The mistaken impression that bulk automatic distribution of all publications was being made to this headquarters by O.C. No. 10 Publications Depot, RASC, is explained as follows. Having arranged that twenty (20) copies each issue of AAI Routine Orders would be forwarded, enquiry was made in our Adj. 461. dated 29 March 1944 to No. 10 Publications Depot if it could be presumed that twenty (20) copies of all other publications, GROs, etc., would also be received. On reverse of our letter, O.C. No. 10 Publications Depot replied on 31 March 1944 that twenty (20) copies of GROs, etc. would be dispatched as and when received. As no mention was made of the source of issue, it was naturally presumed to be No. 10 Publications Depot.

3. The information that, with the exception of AAI Routine Orders, bulk automatic distribution of all publications is meantime made by No. 9 Publications Depot, is noted and appreciated.

The last sentence of para. 2 is not understood. Bulk automatic distribution of all Publications (excepting at present A.A.I. Routine Orders) is carried out only by No.9 Publications Depot. No.10 Publications Depot is concerned only with meeting demands on indent and does not issue automatically any pamphlets or publications (with the a/m exception of A.A.I., R.O's). Will you please amplify your statement in para. 2 of the a/m letter that certain units are now covered by a bulk distribution of 20 copies issued by No.10 Publications Depot.

Your remarks in paras. 3 and 4 are noted and necessary amendments made by O.C., No.9 Publications Depot.

QS180 1 April 1944

SUBJECT: Supply to Army Sub-Commission, Main HQ. LEQUILE (LECCE) of Instructions, Circulars, Memorandums etc. NOT from A.C.C.

TO : Regional Control and Military Government Sec., Main HQ. A.C.C., Naples.

From time to time copies of Intelligence Instructions, Ministry of Instructions, NATOUSA circulars, etc. are received in this office with no indications whether they have been also forwarded to Main HQ. this Sub-Commission, LEQUILE. Distribution lists on such documents from A.F.H.Q. and other high level origins usually are expressed as a letter (e.g. "X") details of which are not known. Many of these are too long to be copied for forwarding to Main HQ. The alternative is individual application to the Adjutant to know whether copies are in fact forwarded to Main HQ.

As the scope of Main HQ. this Sub-Commission is somewhat outside normal work of A.C.C., would it be possible in view of its location in South of Italy for a memorandum to be circulated to originating offices * to forward a copy of all documents concerned direct to LEQUILE. Failing this, can some indication be placed on copies forwarded to this office that similar copy has been forwarded to Main HQ. Recent examples are NATOUSA Circular No. 32 of 13 Mar. and A.F.H.Q. Intelligence Instruction No. 32 of 25 Mar.

SUBJECT: Distribution of Documents

TO : Army Sub-Commission, Rear Hq

1. Acknowledgment is made of your QS/116 of 16 March 1944.

2. Attached hereto is copy of AFHQ Adv Adm Ech Administrative Instruction No. 8, together with Amendments No. 1, 2 and 3 thereto.

3. Inasmuch as the basic Administrative Instruction was issued under date of 25 November 1943, at which time the Allied Control Commission was located at Brindisi - those files were subsequently transferred to Salerno - this office has no knowledge of the distribution made of the original Instruction No. 8. Our practice is to make identical distribution on original documents and amendments thereto.

4. Advanced Administrative Echelon, AFHQ, was redesignated Advanced Administrative Echelon, ACMF, on 26 February 1944 (see Daily Bulletin, this Hq, Par 4/DB33) and ACMF has since, on 3 March 1944, been redesignated AAI (see Daily Bulletin, this Hq, Par 2/DB 48.)

SUBJECT: Distribution of Documents.

TO : Main HQ. A.C.C., Naples.

Reference Amendment No. 4 to A.F.H.Q. (Adv. Adm. Ech.) Administrative Instruction No. 8.

Two copies of this has been received in this office and NONE of the basic Instruction. Distribution of Amendment shows that A.C.C. received 10 copies: as it is customary for distribution of amendments to be the same as that of the basic document, it is assumed you received 10 copies of the latter. May a copy please be forwarded?

This office receives many similar amendments from Main HQ. without having received the basic document.

It would be appreciated if the location of the Admin. Echs. could be clarified for the information of the Army Sub-Commission (both branches). It appears there are 2 viz:-

A.F.H.Q. (Adv. Adm. Ech.)
HQ. A.C.M.F. (Adm. Ech.)

In spite of the fact that A.F.H.Q. and A.C.M.F. (now A.A.I.) are under different Commanders, they appear to have similar functions administratively. In fact, Amendment No. 4 above quoted to an A.F.H.Q. Instruction appears to have been issued by A.C.M.F.

Eight copies of this order did arrive at the Naples Hq and the facts are as follows:

Our Out Log "Red No. 3053" on the evening of March 19 showed that 8 copies of our Special Order No. 36 cleared our distribution desk and were marked as follows:

2 copies - G-4 Main Hq ACC
1 Copy - S-1, 2675th Regt

To: Executive Officers (Attn: Lt Col E. L. CLOUGH)

1. Attention is invited to basic communication.

2. The circumstances under which this compromise of classified information came to my attention were as follows. Having been informed of the presence of these crates, I visited the Personnel Section, at that time located in Room 8, Provincia Building, and observed a number of packing cases, some twelve to fourteen, standing in the corridor outside these offices. Without exception the cases appeared to be broken open and the contents thereof left exposed and unattended. Inquiry was made by the undersigned as to the reason these cases were left in another portion of the building and as to why they had not been delivered to the Adjutant's Department. Every case was plainly and conspicuously marked "ADJ". These inquiries were without result.

3. Upon discovery of the cases, personnel of the Adjutant's Department were immediately detailed to convey them to the Miscellaneous Section.

Thursday, 16 March 44.

2nd Lieut L. T. Montant, Jr,
Adjutant.

Sir:

I have the honour to refer you to the occasion, approximately ten days ago, when I brought to your attention the fact that several crates, bearing Adjutant's markings, and which had come by recent convoy from PALERMO, had been broken open and left in the corridor on the Mezzanine Floor outside Room 8 and 9, contents exposed to all and sundry.

Inter alia, office equipment etc, certain of these crates contained I.S.I.S. reports on Sicily, Italian Basic Handbooks, and various Zone Handbooks.

I am given to understand by S/130522 S/Sgt Wesser, G.T., RASC, in whose charge the publications were left at Palermo and by whom the crates were packed, that the Record which I had maintained and left with him, of issues made at Palermo and previous locations, was packed by him in one of the crates.

This Record has not come to light in the unpacking, with the result that a check has been impracticable and there is now no record of issues made at earlier locations.

I submit this report for such action as you may consider desirable.

I am,

Sir,

Your Obedient Servant.

A.S.M. Ficken

1. In reference to your unnumbered memorandum, dated 17 February, regarding limiting the number of copies of directives published in your Headquarters which are to be sent to this Section, it is felt that this plan is not wholly practicable.

2. A distribution of 3 copies of issues on routine matters will be satisfactory, these including all Special Orders and Daily Bulletins.

3. 25 copies each of Directives detailing matters of policy, e.g. Executive Memorandum #2, should continue to be sent us as the necessity of our having to request additional copies of an issue of that type will cause considerable unnecessary delay and correspondence.

SUBJECT: Publications, Request for

TO : HQ AMG

Reference your letter dated 11 Jan 44 addressed to Commanding General, AFHQ (Attention: Archives & Reference Library).

1. A copy of the above mentioned request has been passed by G-2 Section CI(Library) to this HQ with the following remarks:-

(i) It will be appreciated if you will give your opinion as to whether or not all the publications requested are really necessary to AMG as up till now we have not generally supplied MGS with publications concerning countries other than Italy. Furthermore, some of the publications are in short supply.

(ii) It will also be appreciated if you will ask AMG to pass their requests, in future, through the usual channels.

2. It is not understood who originated the request, as several of the documents requested are already on charge of the Allied Intelligence Committee, HQ AMG.

3. Until now the policy has been to supply AMG with intelligence publications relating to Italy only.

SUBJECT: Security Danger of Wide Distribution Lists.

TO : All Concerned.

1. Information has been received that the enemy has obtained valuable information regarding our Order of Battle from distribution lists placed on captured documents.

2. Originators of documents will avoid, as far as possible, showing a wide distribution by one of the following methods:

a. Showing only the designations of higher echelons, to which sufficient copies should be sent for further distribution to lower echelons. In this case the scale to be adopted should be shown; that is, one copy per battalion. This method is particularly suitable for distribution within a theater or force.

b. Adopting a standard distribution list which may be given an initial circulation and which subsequently should be referred to as "Distribution List ... (plus or minus---)". This method is particularly suitable for the distribution of a series of documents to substantially the same addressees.

3. When it is essential to show a wide distribution, the classification of a document will be that warranted by its entire contents.

4. The above does not apply to distributions within a headquarters.

For the information of all concerned, the following is extracted from the Interim Report of the Postal Officer, this Hq.

"A loss of mail, due to circumstances over which no one had any control, occurred on or about 1 December 1943. A very substantial amount of mail was lost (amount not specified for security reasons). Of this mail, an appreciable amount was destined for personnel of this organization. The undersigned examined one package which was addressed to an Officer of this organization, and the condition of the package indicated quite clearly that the bulk of the packages could not be forwarded, and could only have been destroyed. Unfortunately, on virtually all of the mail and packages in question, the addresses were obliterated, so that the extent of the loss, and the addressees in question, can never be determined. The only lead is the addresses on the bags, which, also, were illegible in most cases."

Subject: "Sicilia Liberata" Distribution at Direction of SCAO
To : AMGOT, Palermo Office

1. Reference your AMGOT 1220, Palermo Office, 3 January 1944, to Public Relations Division, AMG.

2. The arrangements for the distribution of "Sicilia Liberata", so far as the Public Relations Office were concerned as liaison with PWB (INC), are stated in Paragraph 6 of the Chief Civil Affairs Officer's letter to the CGC C-in-C 15 Army Group of 21 August 1943 on the subject of press and propaganda in Sicily, as follows:

> "6. The financial arrangements made by INC seem satisfactory. INC provide free news; the two publishing concerns pay for the material and wages involved and are to retain the profit if any. AMGOT will purchase 2,000 copies for 6 weeks for distribution in the provinces. Otherwise no charge falls on public funds."

3. Later on, at the suggestion of some of the SCAO's who were receiving "Sicilia Liberata" for free distribution, the Chief Finance Officer wrote to the SCAO's, asking them to send in any money they had collected in cases where the paper was actually re-sold.

4. It is believed that light on whether any money was collected from the re-sale of "Sicilia Liberata" in the provinces during the period when AMGOT underwrote the purchase of 2,000 copies a day at the direction of the SCAO will be found in the files of the Finance Section.
