SUBJECT: Letter of Referral of Neuropsychiatric Patients.

TO : Commanding Officers of all Units Assigned or Attached to PRS.

1. All neuropsychiatric patients referred to base section hospitals for consultation on admission will be accompanied by a sealed letter containing the following information:

a. A statement describing the complaints on behavior of this soldier leading to his referral.

b. A summary of disciplinary offenses, corrective action taken, and the effect of the latter.

c. An estimate of this man's efficiency in the unit, and an opinion as to his value to the military service.

d. A statement as to the use of alcohol or drugs.

e. A description of his attitude towards authority and relationships with other soldiers.

f. A summary of all attempts made to rehabilitate him within the organization.

2. The commanding officer, with the help of the unit Surgeon, will be responsible that this information accompanies the patient.

Our Ref: - CAT/4.

SUBJECT: - Officers.

Ref. your letter dated 18 Oct 43.

It is presumed that Major G.A. Spencer is meant. If so, please note that this officer was unable to go to Convalescent Home at TAORMINA as previously advised owing to lack of accommodation. He has therefore been convalescing here in CATANIA and has been informed of your instructions.

Capt. F.J. RUSSI is on duty here. He has not been hospitalized and did not go to Region II because of a fractured rib for which he was treated as an out patient on 10 Sep 43. He is now recovered and is carrying on with his duties as CP in CATANIA.

Lt. G. VITI is reported to have been hospitalized at Messina and is now believed to have been discharged during the past week, and may be located through AMOT Messina.

Lt. J.C. SPITENGLIE is not in any military hospital in CATANIA City and no medical information concerning him nor his present location is available.
