LIST OF SELECTED SHIPPING DESIGNATORS

(Effective 15 April 1944)

85

NOTE:

1. Selected Shipping Designators which have been assigned and which are effective 15 April 1944 are listed in Section I hereof. Geographical locations to which shipping designators have been assigned are listed alphabetically in Section II.

2. Classification of shipping designators has been reduced from "Confidential" to "Restricted" by War Department letter, AG 400.151 (28 August 1943) CB-2-EP-01-1, dated 28 August 1943, subject: "Requisitioning and Marking Supplies for Overseas Shipment". However, their meanings will be limited to those agencies who have a specific need therefor.

3. A number of unassigned shipping designators have been included in each alphabetical group in Section I, thereby permitting entry of meanings as assignments are subsequently published.

4. The assignment of shipping designators is a function of the Commanding General, Army Service Forces (Code Marking Section, Office of the Chief of Transportation), in accordance with paragraph 9, Section III, "Acquisition and Marking Supplies for Overseas Shipment" (Marking Directive). File reference: AG 400.151 (5/19/43) CB-2-CH-01-1 dated 1 June 1943. Requests for assignment of additional shipping designators will be made, in this header, on the Chief of Transportation, T. V. V. who, in turn, will request assignment thereof to be made by CG, ASF.

5. The following publications are superseded and will be destroyed in accordance with paragraph 251, AG 400-5. No report of destruction is required:

a. List of Selected Shipping Designators, (Effective 15 September 1943) and its amendments;

3. A number of unassigned shipping designators have been included in each alphabetical group in Section I, thereby permitting entry of tonnage as assignments are subsequently published.

4. The assignment of shipping designators is a function of the Commanding General, The Service Forces (Code Marking Section, Office of the Chief of Transportation), in accordance with paragraph 3, Section III, Acquisition and Marking, Rules for Overseas Assignment (Marking Directive), File reference: 16 400.101 (5/19/53) 00-5-11102-1 dated 1 June 1943. Requests for assignment of additional shipping designators will be made, in this Chapter, on the Chief of Transportation, The Service Forces, who, in turn, will request assignment thereof to be made by CG, ASF.

5. The following publications are superseded and will be destroyed in accordance with paragraph 231, in 300-3. No report of destruction is required:

a. List of Selected Shipping Designators, (Effective 15 September 1943) and its amendments;

- Amendment No. 1 (Effective 15 November 1943);
- Amendment No. 2 (Effective 12 December 1943);
- Amendment No. 3 (Effective 5 January 1944);
- Amendment No. 4 (Effective 5 January 1944);
- Amendment No. 5 (Effective 10 January 1944);
- Amendment No. 6 (Effective 30 January 1944);
- Amendment No. 7 (Effective 25 January 1944);
- Amendment No. 8 (Effective 20 February 1944).
