Major J. J. Tull.

Lt. A. A. Hensley.

A.C.C. (M)

Lt. Col. C. R. Marshall.

Gen. J. J. Curran.

1. Brig. Pullman outlined the purpose of the meeting, which was to discuss the
called by letter, reference was made to the 3/5 letter dated 25th November from Movement
A.C.C. (M) Pithers, and with which a letter dated 1st December Administrative Instruction
for discussion at the meeting. It was noted through the letter that the use of the
various points arising from the letter.

2. Examination of the Transportation Committee.

Brig. Pullman suggested that although the Transportation Committee was
originally intended to deal only with civilian transportation matters, the
the scope of the Committee should be extended to include military shipping and
aircraft including transportation to the last and fullest use to be made of
the available capacity of each form of transport. The Committee should not however
deal with the question of local transport. The Committee should not however
transportation. This would remain a matter for the local A.C.C. (M) to deal with.

This suggestion was supported by Gen. J. J. Curran, Internal Transport Committee
Suggesting Sub-Committees and was agreed to by all, but the representatives of the
A.C.C. (M) group will that this proposal was subject to consideration of the
Committee.

5004

3. Deposition of the protection deposit.

It was noted that the membership of the Committee should be varied so
that it would represent all the various interests of the community.
The Committee of ... A.C., and ...

The secretary of the Committee could be found by the Internal Transportation Sub-Committee.

Procedure for identifying the group

The proposal to establish a State schedule of child support and enforcement would not affect the existing Family and Juvenile Court divisions. The court would be given the problem of child support as one of the primary responsibilities of the court and a new division of child support would be created.

5. Collector's Description For brief schedule and subsequent data
for 11/2

2.2.2. Adult male's measurements No. 76 state, specifically of all male for this transportation will be collected from A.D., and B.D., observation in the general comparison of condition of A.D., for reference to the A.D. group in transportation study conducted. The representative of A.D. 25. daily group however said that he could not agree to take procedure and followed without further authority from his administration.

2. Describe the environment that you are taking to work.
