ORIGINATORS TITLE

REMARKS

In order to save extra typing, after checking it was found that there were sufficient copies of original lists to send both the British and American Embassies one each instead of typing out service copies.

Only Box N. 6 and 7 were listed in the usual manner (Box No. 7 was found to hold only French interests) as stated on the lists concerned

Files have been sent and listed in NO CONTINUITY.
It is therefore necessary to keep the lists in
BOX Order.
 The same system applied to Regions XII and XIII but in these cases, the files have arrived in continuity.

NOTE.

Such remarks as the number of Volumes, whether the was ever changed, if the way had
 opened and if the was destroyed, etc.
