TESTIMONIAL

S/150671 S/SGT L. ATTERBY. R.A.S.G.

Since taking over the Archives Branch, H.Q. Allied Commission, I have had the greatest assistance from the a/m N.C.O.

Captain A.J. COLLINS, R.E. (Br), my predecessor, states that in all his work he has found this N.C.O. willing and capable, eager to cooperate and of great help from the beginning in planning and carrying out the arduous duties of forming an entirely new branch.

I have no hesitation in adding that the rank of WO II, for which S/Sgt Atterby has been recommended, is, in my opinion, completely justified, and I trust that it will be confirmed in the very near future.

TESTIMONIAL

5091981 Pte MURDIN, K.E. Leicesters

This soldier, who has been employed in this Branch since October 1945, is painstaking, willing, and a good timekeeper.

His duties as "Searcher" requires ability to carry out a monotonous and somewhat thankless task, and he has always been found to be ready to take on any duty with enthusiasm.

His care of the Records and their disposal, is a good, and in the coming plans for Staff increase I am considering him for a position of authority.

Pte Mordin has already been recommended for the appointment of Lance/Corporal.

Major, G.S.
Archivist.

S/150672 S/Sgt L.V.J. Atterby, RASC.

This NCO has worked in Archives Branch from May 1944 up to the present date, during which time he has consistently shown outstanding competence, initiative and industry.

At the present time, when much of the Commission's work is drawing to a close, the work of Archives Branch is expanding rapidly, and will continue to do so for many months. The immediate future will give rise to new complexities of administration in increasing volume.

S/Sgt. Atterby's experience and knowledge of the work of this Branch are unique, and the task of training personnel (including officers) must inevitably fall very largely upon his shoulders. I have complete confidence in his ability to deal competently with this matter, and also to give valuable and sound advice on the handling of future problems.

In my opinion, the responsibilities of the work amply justify the rank of SQMS; there is no other NCO who could replace S/Sgt. Atterby, and it is desired to submit the strongest recommendation for his promotion to SQMS.
