SUBJECT : Files.

TO: Records Officer, Education Branch (C.A. Section)

As there are four different depositories for your files at the moment, the following procedure has been agreed to be adopted: -

- (1) Files with Education Branch - Retain until Master List is compiled by Archives.
- (2) Files with (A) Embassy - Receipted list has been handed to Archives.
- (3) Files at MILAN - Complete list to be made by Education Branch and given to Archives.
- (4) Files with Archives - To be merged with 1, 2, 3 by Archives in due course.

After (3) has been received, Archives will firstly prepare the Functional Filing Cards of all these lists, and then make out 3 copies of MASTER LIST from them (one for your retention).

If your clerk can assist in this work next week owing to typist-shortage in Archives, we shall be grateful.

No files to be handed in before above list is complete to satisfaction of both parties.
