SUBJECT : Public Health Files.

TO : Chief Archives Officer.

Reference is made to your letter Ref: 15/AB/PH dated 3rd Sept 46.

I searched in the offices of Public Health Sub-Commission and was able to find the following files which are enclosed herewith :

3069 Hospitals - General.
3069/1 " - Requisitioning Civil Hospitals by Military Auth.

I regret to say that there is no trace of the following files listed in your letter under reference :

3133 Blind Persons General
3158 Hospital Casualty Returns - Italians
3118/4 Repatriation Italian P.O.W. from Germany

This Section will endeavour to get from Col. Frizelle, former Director of Public Health, who is at present with UNRRA, the necessary information on the missing files.

It appears that the preparation of the Master List of files of Public Health, and the actual delivery of same to your office, did take place when Col. Frizelle was still at this Headquarters.
