1. Ref your 15/AB/R X dated 8 June 46.
2. A thorough search has been made at this H.Q. hence the tardiness in replying.
3. It is regretted that this has proved fruitless, and from information obtained from ex-employees, it would appear that all files were sent by A.M.G. Archives N.C.O. to your Office in January 46, apart from a very small number, which were considered of no importance to you and consequently destroyed.
4. Enquiries to outside organizations have failed to bring to light any files which may have been either loaned or left with interested parties, and it can only be concluded that the files referred to were inadvertently placed on the lists sent to you, when in fact, they had been destroyed by the originator.
