Declassified E.O. 12356 Section 3.3/NND No. 785021

All copies of Monthly
Report were filed in HQ
00-20
Uptra Section file for safekeeping
should be kept there 16 April 1947

Declassified E.O. 12356 Section 3.3/NND No. 785021

Since in many cases there is only copy
of the reports of 1944-45, we shall have
to go through all the Tn old files again
and strike out and refile the single
copies. Do not begin this yet as we
have too much to do. B/f in October unless
War Dept G-2 write again. If so, get Capt
Cannings to deal with this, if I am away.
Letter to War Ministry must be revised
when we have copies taken out.

Subject : Request for Copies of Reports.

To : Chief, Archives Branch
HQ AC,

1. This Branch has received a request from the War Department, Washington, D.C. for three copies of all past, current and future Monthly Reports prepared by this Sub-Commission, copy of which is attached.

2. Our Monthly Reports have been mimeographed each month and only one (1) file copy has been retained. Inasmuch as our reports date back for approximately two (2) years and some of which are rather long and with a shortage of typing personnel, it is requested that all past reports be microfilmed or by some other process in order that Washington may be furnished with the desired number of copies.

3. This office will deliver the reports for processing to your office when desired.
