HEADQUARTERS, LIVORNO LIAISON GROUP, ALLIED COMMISSION, APO 394 US ARMY, 27 APRIL 1946
TO : Headquarters, Allied Commission, Archives Branch, APO 794 US Army

1. The Office of the Chief Liaison Officer Toscana has never had any connection with Toscana Regional Files. When the Region was closed out in Florence, Livorno maintained headquarters in Livorno and not in Florence, hence all Region files were handled by Regional personnel in Florence.

2. It is virtually impossible for this Headquarters to make any check on the location of the files stated above as missing, as this Headquarters has never had any knowledge as to who was supposed to have handled the matter, or why it was handled in this way.

Your LIV/29A/8329 of 4th Feb 1946 is acknowledged together with the Files which are at present unchecked.

Statement under para 3 is noted but it is felt that attention of Legal Sub Commission, H.Q. should be drawn to this, in case responsibility is required upon a case at a later date.

The overlooking of these files has upset the original continuity of Legal Files to some degree.
