Major N.M. Harrison
H.Q. Allied Commission
Rome.

Re. yours enclosed which I have found in going through some old papers of mine.

Hearing that you are still in Rome I am enclosing herewith old letter of Capt. Garigue on the subject of this German property.

The photographic document for which he asks was duly handed over to him by Liet. Roberts of the American C.I.C. & Capt. Andrews of the C.I.C. Casa Gaslini, Genova can testify this and he is still in Genoa. He says that since then it was returned to Rome but as Capt. Garigue has returned to Italy on service and was in Bologna, no harm in your applying to him for all details required by you.

To make sure of his exact address, please send any communication you may desire to the address of his Italian wife's people, viz.

Capt. Philip Garigue,
c/o Sig. Porcheddu
Arziglia, Bordighera and they

will forward it on.

Yours faithfully,

B DeMarch

Ref. : 16/AB

30 July 1946

SUBJECT : Untraced files.

TO : G-4 (R).

1. With reference to the recent complaint received through C.S.C. that file applications are not being attended to; the following information is forwarded.

(i) File G/101/6/2 VEHICLE ESTABLISHMENT VEHICLES.
This file was looked out and held for collection by G2X Branch for two days. Since no call for it has been made by that Branch, the file has been returned to storage.

(ii) (No reference) COURTS OF ENQUIRY MOTOR ACCIDENT.
A third search for this file through the MAPERS ACCIDENT documents has proved fruitless. The only file bearing any possible trace is one entitled "LOST MOTOR VEHICLES" - no trace of reference to any machine or even any notice covering the Court is to be found during the period in question, in that file.

It is suggested that papers of the proceedings of a Court of Enquiry would automatically be forwarded to the next higher Formation for action and NOT remain with a Unit, but perhaps there may be other procedure in A.C.

2. It is further requested that any future complaints of this nature be addressed to the Chief Archives Officer in writing so that the matter can be investigated immediately in the proper manner.

R.H. HARRISON,
Major,
Chief Archives Officer.
