TO: R.I.A.G., Region I.
R.C.A.G., Region II.

1. Two persons are in custody of D.I.G. Malta, pending investigation of their identity. They are probably Danish seafaring men: one OTHO REJDA JENSEN alleges that he lost his Registration Certificate (probably a Seaman's Discharge Book) in Syracuse on 11 December 1943: the other HARI JOHAN PEDERSEN alleges that his Danish passport (No. 27 2014 issued in Glasgow 26 May 1941) was lost in Casablanca early in November. These cases have not previously been reported anywhere.

2. Information is required whether anything is known of these men or of their identity papers in your Region. Region III has no information.

3. In order to avoid delay, please reply direct to D.I.G. Malta, sending a copy of your letter to this Headquarters.

LIST OF ALL ASSIGNED SHIPPING DESIGNATIONS

(Effective 15 September 1943)

NOTE:

(1) Classification of shipping designations has been reduced from 'confidential' to 'restricted' by War Departmental letter, at 400.161(24) August 1943) ON-SHIP-4, dated 9 August 1943, subject: "Re positioning and marking supplies for Overseas shipment." Over, their meanings will be limited to those agencies who have a specific need thereof.

(2) On this list, there appear unassigned four letter words, meanings of which will be assigned at a later date, when the need therefor arises. When such assignment has been made, the holder of the attached list will indicate the meaning immediately following the shipping designation in question. New a later list can be submitted during a much greater period of time.

(3) Shipping designations assigned to the four series in the North African Theater of Operations will become effective on all shipments of supplies to be set to arrive at ports after 21 September 1943. After that time, shipments of supplies will be made to the area rather than to specific ports, and shipping assignments primarily assigned to ports in the North African Theater of Operations will not be used.
