Subject: Assignment, Reassignment, and use of Specialist Officers in Regions.

To : Regional Commissioners and SCACs.

1. There appears to be considerable misunderstanding by Regional Commissioners in reference to the assignment, reassignment and use within the Region of Specialist (Sub-Commission) officers. It is hoped that the following notes may serve to clarify this matter.

a. Original assignments of Specialist Officers to Regions are made on the recommendation of the Vice Presidents of Sections in consultation with the Director of the Sub-Commissions and, when possible, with the agreement of the Regional Commissioner.

b. Reassignments and withdrawals of these officers from Regions are made in the same way. Every effort is made to consider the problems and desires of the Regional Commissioners but in case of disagreement, it sometimes is necessary to follow the recommendation of the Director of the Sub-Commission since he is responsible for providing for all Regions, AMC Armies, and his Hq. Staff from limited numbers of personnel.

c. Specialist Officers in Regions, especially ACC Regions where personnel for CAOs is limited, may be utilized for other tasks in addition to their specialist assignments. However, Regional Commissioners must exercise sufficient care to insure that these additional tasks do not prevent the accomplishment of their specialist functions and that they are not given tasks from which they cannot be spared when needed as a specialist for another Region.

2. All assignments and reassignments of officers to Regions must have the approval of the Executive Commissioner. The Establishments Branch of the RC & MG Section is charged with the clearance with Sub-Commissions and Regions of all officers prior to transfer. Therefore, all requests for assignments or transfers from Heads of Sections, Sub-Commissions or Regions should be addressed to the Executive Commissioner (Attention Establishment Officer).

3. Requests for relief of officers for inefficiency or 4324 of proper disciplinary action will be accompanied by a written report from

Ltr. subject: Assignment, Reassignment, and use of Specialist Officers in
Regions (Cont'd).

the Regional Commissioner or SCAO detailing the facts in the case.

4. Adherence to the above procedure will contribute greatly
to the smoother operation of ACC.
