NOTES

1. This form of recommendation has been introduced to ensure equal fairness to all officers by producing the maximum of anonymity. It must be made out exactly as shown in the proforma and must NOT be altered in any way whatever.
2. Members of the War Office Selection Board will neither know the name or regiment of any candidate, nor the names of any of the commanders who have recommended him, the centre portion only of the recommendation form being before them. An officer will therefore be selected on his record of service combined with the recommendations of his commanders.
3. Selection will be effected by a system of marking in which the human element is reduced to the minimum. It is therefore essential, in fairness to the officer concerned, that details of recommendations are filled in fully and accurately. Particular care will be taken to ensure that the officer's name does NOT appear anywhere in the body of the report (Serials (b) to (n) inclusive).
4. In the case of officers employed on the staff of divisional or higher headquarters the initial recommendation will be made by the first grade staff officer under whom the officer is serving. The recommendation will be endorsed in paragraphs (l) and (m) by the appropriate superiors.
5. Names are NOT required to be forwarded in any order of priority.
6. It is important that the grading "Outstanding", "Highly Recommended" or "Recommended" is inserted by the higher Command under (m) and by no one else.

of his commanders.

3. Selection will be effected by a system of ranking in which the human element is reduced to the minimum. It is therefore essential, in fairness to the officer concerned, that details of recommendations are filled in fully and accurately. Particular care will be taken to ensure that the officer's name does NOT appear anywhere in the body of the report (Serials (b) to (n) inclusive).
4. In the case of officers employed on the staff of divisional or higher headquarters the initial recommendation will be made by the first grade staff officer under whom the officer is serving. The recommendation will be endorsed in paragraphs (1) and (n) by the appropriate superiors.
5. Names are NOT required to be forwarded in any order of priority.
6. It is important that the grading "Outstanding", "Highly Recommended" or "Recommended" is inserted by the higher Command under (E) and by no one else.

30 NOV 1945

The following extract from a letter from G.M.F., under reference 56/4852 dated 23 Nov 45 is forwarded for information.

1. Reference GPO 1247/45, and accompanying booklet containing advance copy of an A.C.I., to be published shortly, in respect of Regular Army Commissions (other than of the Quartermaster class).
2. It will be noted that the terms and conditions governing the grant of permanent Regular Army Commissions to Officers in Group 11 (i.e. those Officers who were ineligible on grounds of age under A.C.I.s 1696/42 and 2441/42) are explained.
3. It is the Army Council's intention that only temporary Officers of a very high standard with a war record of proved merit and efficiency shall be chosen, in order that their inclusion in the regular army with seniority comparable to that of pre-war regular Officers of equivalent age may be justified.
4. In their instructions to Regular Commission Boards, the Army Council laid down certain principles for their guidance.

The principles are:-

- (a) The school or family from which a candidate comes is of no importance, but, at the same time, family connections with H.R. Forces over long periods whether in commissioned or non-commissioned ranks should be given weight as tending to show that the candidate "has soldiering in his blood".
- (b) Lack of private income will not be treated as an adverse factor. It is already abundantly clear that the general economic conditions of the future will be such as to make it well-nigh impossible for any Officer's fees to set a standard of living beyond the reach of an Officer with no private means.

1. Reference GAO 1017/45, and accompanying booklet containing advance copy of an ACI... to be published shortly, in respect of Regular Army Commissions (other than of the Quartermaster class).

2. It will be noted that the terms and conditions governing the grant of permanent Regular Army Commissions to Officers in Group II (i.e. those Officers who were ineligible on grounds of age under ACI's 1696/42 and 2411/42) are explained.

3. It is the Army Council's intention that only temporary Officers of a very high standard with a war record of proved merit and efficiency shall be chosen, in order that their inclusion in the regular army with seniority comparable to that of pre-war regular Officers of equivalent age may be justified.

4. In their instructions to Regular Commission Boards, the Army Council laid down certain principles for their guidance.

The principles are:-

(a) The school or family from which a candidate comes is of no importance, but, at the same time, family connections with BE Forces over long periods whether in commissioned or non-commissioned ranks should be given weight as tending to show that the candidate "has soldiering in his blood".

(b) Look of private income will not be treated as an adverse factor. It is already abundantly clear that the general economic conditions of the future will be such as to make it well-nigh impossible for any officer's bus to set a standard of living beyond the reach of an officer with no private means.

(c) Breadth of outlook and wide (and preferably unilitary) interests in addition to devotion to the Service are of great importance.

(d) Candidates are required for all branches of the Service, each of which has its own special needs. The ideal to be aimed at is that every accepted candidate should have:-

(i) a good general background of adequate education or experience, and the wide interests which will keep him in touch with his fellow citizens;

(ii) powers of leadership adequate for the command or control of men in any situation in which his Corps may be involved, and

(iii) the professional or technical qualifications needed for in the Corps.

SUBJECT : Permanent Regular Commission

TO : Distribution below

Reference ACIs 1696/42, 2441/42, 153/43, 362/44, 919/44, 224/45 and 794/45 regarding the Grant of Permanent Regular Army Commissions.

1. It has been decided that outstanding Temporary officers who are up to 5 years too old for eligibility under the above-noted ACIs may be considered for Permanent Commissions if specially recommended by the Army Commander and/or Commander in Chief.

2. Upper age limits are therefore extended as follows:-

- (a) ACI 1696/42 paragraph 3 (f) and Appendix 1 paragraph 1: to 29th birthday;
- (b) ACI 2441/42 paragraph 2 (a) (1) and Appendix 1 paragraph 1: to 33rd birthday.

3. All conditions of the above quoted ACIs (except that 224/45 may be applied if to their advantage) will continue to apply to all candidates who are within original age limits.

4. The following conditions apply to candidates now made eligible by paragraph 2 above.

- (a) Must have had at least two years' commissioned service on full pay this war including at least one year's outstanding service in Regimental employment.
- (b) Must have attained the paid rank of Major.
- (c) Must be recommended by Commander of Brigade, Division, and Corps Commanders and/or Commander in Chief;
- (d) Interview by regular Commission and selection board not required;
- (e) Other conditions as in the above quoted ACIs.

5. Names of officers who are recommended as in paragraph 4 above will be included in the War Office Register from which selections will be made to fill vacancies.

6. Officers selected from register by War Office will receive Permanent Commissions under the following conditions:-

- (a) Seniority in Regular Army will be as 2/Lieutenant from 23rd birthday (1/Lieutenant as from 25th birthday in the case of NCOs).

29th birthday;

(b) ACI 2441/42 paragraph 2 (a) (1) and Appendix 1 paragraph 1: to 53rd birthday.

3. All conditions of the above quoted ACIs (except that 224/45 may be applied if to their advantage) will continue to apply to all candidates who are within original age limits.

4. The following conditions apply to candidates now made eligible by paragraph 2 above.

- (a) Must have had at least two years' commissioned service on full pay this war including at least one year's outstanding service in Regimental employment.
- (b) Must have attained the paid rank of Major.
- (c) Must be recommended by Commander of Brigade, Division, and Corps Commanders and/or Commander in Chief;
- (d) Interview by regular Commission and selection board not required;
- (e) Other conditions as in the above quoted ACIs.

5. Names of officers who are recommended as in paragraph 4 above will be included in the War Office Register from which selections will be made to fill vacancies.

6. Officers selected from register by War Office will receive Permanent Commissions under the following conditions:-

- (a) Seniority in Regular Army will be as 2/Lieutenant from 23rd birthday (1/Lieutenant as from 25th birthday in the case of RAOC and RLES) irrespective of length of service actually recorded. Time elapsed since date of seniority will count for time of Promotion and increments of pay, but not for retired pay. Any seniority in excess of that which would be due if reckoned as in ACIs 169/42 and 2441/42 will not be taken into account when calculating age for eligibility to apply for permanent Commissions.
- (b) Retired pay will be assessed on service actually rendered. Normal pay warrant conditions will apply except that a reduction of £20 will be made for each year by which officers age on first appointment to commission exceeds 27.
- (c) Other conditions as in the above quoted ACIs.

- 2 -

7. All officers eligible are urged to apply as soon as possible. Their attention is drawn particularly to the benefits of paragraph 6. Applications by candidates referred to in paragraph 3 will continue to be dealt with as hitherto, but applications by those referred to in paragraph 1 will not be forwarded above District Headquarters pending further instructions. Vacancies for the latter class are limited and primary consideration for both classes is the candidate's suitability to take a place in the Regular Army as if his Commission dated from his 23rd birthday (25th for RAOC and RENE).

8. Pending further instructions, CMF Form 74 (in quadruplicate) will be used, applications, and SP Form 72 (WOSB) for detailed report on candidate by OC and Superior Commander.

TO : HQ Main Eighth Army

1. Emergency measures have been authorized by War Office to provide replacements and to meet extra demands on officers required for Civil Affairs/Military Government.
2. Officers may therefore be directed temporarily to Civil Affairs by AFHQ and selection made from officers who have not volunteered under ACI 173/L5. When such an officer is selected for an appointment, his posting instructions will state that he has been selected for an appointment as SO (CA) as a temporary measure.
3. Such officers are not required to be interviewed by the Civil Affairs Selection Board now interviewing in this theatre. Except in rare individual cases it will be necessary for an officer to be interviewed by an 'Allocation Board', to determine his function before he is posted.

4. (a) Allocation Boards will be established as follows:-

<u>Location</u>	<u>HQ Responsible</u>
CASERTA	G-5, A.F.H.Q.
ROME	HQ Allied Commission (ITALY)
EIGHTH ARMY	HQ EIGHTH ARMY
GREECE	HQ Land Forces Greece

- (b) The Board will consist of a Civil Affairs Officer not below the rank of Lt.Col., with such co-opted specialist or technical representatives as required.
5. (a) Particulars on the proforma at Appendix 'A' will be completed in respect of each officer recommended by the Allocation Board for appointment under the terms of this letter, and will be forwarded to G-5 AFHQ. Only one copy of the proforma is required. AFHQ will be the final authority to decide whether officer shall be appointed.

(b) Extracts from completed proforma will be forwarded by AFHQ to War Office for clearance. If as a result, there is any objection to the 'posting for temporary duty' that has already been effected, AFHQ will terminate the temporary posting.

6. The procedure outlined in para 3 above will be known as Emergency CA Selection and will be carried out without prejudice to the continuance of selection under ACI 142/44 (Far East) and ACI 173/45 (Europe and Africa). Any officer appointed under the terms of this letter may, if he wishes, apply under the above quoted ACIs in the normal way. It is not the intention at this time to amend GAO 283/45, which will however be considered as modified where it conflicts with this letter.

7. Any officer who has already volunteered under ACI 173/45, but who has not yet been interviewed by CASD may be posted immediately for 'temporary duty' until such time as the normal ACI procedure has been completed with.

8. Emergency CA Selection does not mean that all deficiencies and replacements of CA officers required can be provided. The present over-all shortage of officers will not permit this. It is the intention that the majority of Emergency Selected officers will be drawn from those officers who have volunteered under ACI 173/45, but who have not yet been interviewed by CASD. Such officers will be interviewed by Allocation Boards as directed by this Headquarters. There may, however, be a

THE WAR OFFICE,

C.A.9/A.M.446(C.A.9)

12th April 1945.

Sir,

1. I am directed to inform you that a number of Civil Affairs Officers at present serving under your command have applied, and that others may apply under A.C.I. 1426/1944 for service in Civil Affairs, Far East.

2. Such Officers who are selected will be required to undergo Far East training in U.K. at C.A.S.C. Whilst it is realised that it may not be possible for Officers to be released for immediate training without replacements to supply which every endeavour will be made, it is hoped that as many as possible will be made available owing to the great desirability of employing Officers in the Far East who already have C.A. experience in the field, and to the fact that many of these Officers desire to take a future career in the Colonial Service.

For the period of training, approximately 4 months, Officers will be struck off strength of units vide para 5 of A.C.I. 1426 and held on the strength of No. 5 C.A. (Far East) Pool and will not return to former units on conclusion of training.

3. I am further directed to draw attention to para 10 of A.C.I. 1426 from which it will be noted that Officers who desire to be considered for future service under the Colonial Office will be interviewed by the Colonial Office whilst attending a Course at C.A.S.C. and I am to state that it will not be possible for officers to be so interviewed at any time prior to attending a course, nor is it possible to accelerate their attendance at the C.A.S.C.

4. Finally I am to request that this letter, and in particular para 3 thereof, may be brought to the notice of all C.A. Officers under your command.

I am,

Sir,

Your obedient Servant.

- d. A statement of each officer's general qualifications, physical fitness for overseas service, current efficiency rating, and an estimate of his suitability for civil affairs training will be included in the endorsement by his immediate commanding officer.

5. Selection.- From the quotas and individual applications the Provost Marshal General is authorized to select not to exceed 250 officers per class for appropriate training. The suitability of each officer will be determined by the Provost Marshal General, and no officer will be ordered to attend any training course without the approval of the Provost Marshal General.

6. Assignment.- a. Officers selected will be assigned to the School of Military Government, Charlottesville, Virginia, on permanent change of station status. Upon completion of the preliminary 2 months' course at the School of Military Government, officers will be reassigned on temporary duty to a Civil Affairs Training School for further training under Army supervision. A per diem of \$4 has been authorized for duty as student officers at the Civil Affairs Training Schools under current War Department regulations. The total training period in the United States will require approximately 8 months.

b. Officers who at any time during the training period or upon its completion are found by the Provost Marshal General to be unsuited for civil affairs duties, for physical or other reasons, will be returned to the assignment jurisdiction of the appropriate major command.

7. Publicity.- a. This circular will be given the greatest possible circulation among individual officers of the Army. It will be brought to the

personal attention of all officers on duty within the continental limits of the United States and, to the greatest extent possible, to the attention of every officer overseas.

- b. All commanding officers when considering the relief of an officer from active duty under the provisions of section II, Circular No. 485, War Department, 1944, will determine whether or not that officer is qualified for assignment and training in the civil affairs program stated in this circular. In the cases of officers deemed qualified under the provisions of this circular, a statement to that effect will be contained in the forwarding indorsement to The Adjutant General. All such cases received by The Adjutant General will be submitted to the Provost Marshal General for final determination as to the officer's acceptability for civil affairs training. No officer will be relieved from active duty under the provisions of section II, Circular No. 485, until a thorough review of his record has been made by the Provost Marshal General and his nonessentiality for civil affairs assignment certified by that office.
