TO: Establishment Section
(Attn. Col. Parkin.)

1 The Regional Commissioner Lombardia, when I visited him last week, asked whether it was possible for him to be supplied with an officer and one EM/OR to run one of his hotels.

In view of the importance of Milan and the large number of visitors on official business, he is compelled to run two hotels - one of them containing a large number of press correspondents, visiting Italian Ministers and the like and he has no personnel available to run this hotel.

2 I should be glad, therefore, if you could possibly arrange to meet his wishes; at any rate, cannot Capt. Fournier, whom I believe to be a good administrator, be sent to Milan? (Ref my 1/5.3/CA dated 31 May 45.)

1. Reference your 1/25.H/CA dated 30 April 1945.

2. The Public Safety Officers who are now assigned to Toscana Region and stationed in the Provinces of Arezzo, Grosseto and Siena, should be retained in the Region for duty in other stations, e.g., Livorno, Florence and at Region Headquarters. The Region does not have a Prison Officer so that one of the police officers must function in that capacity.

2. Concerning Umbria-Marche we recommend:

a. Lt Col.Pickering transfer to Displaced Persons S/C. We have no place at present available consistent with Lt Col.Pickering's rank and present dignity.

b. Major Manifold to Ancona Commune.

c. Major Gould to Emilia Region.

d. Major Mason to Liguria Region.

e. Captain Bolt to Piemonte Region.

f. Captain Davenport to Lombardia Region. This officer is earmarked for Austria.

HQ ALCOM ESTABLISHMENTS BRANCH

RESTRICTED.

Understood from Colonel FISKE last night that all officers except a few in EMILIA would now be ordered to report to Regions to which finally assigned. All our provincial teams now on move forward and such cross postings as your ACFIN number 5974 timed 241248B and your ACFIN 6102 timed 252102B received this morning only add to present extreme difficulty of making up forward Regions. Both TYSON and PONDER urgently needed by VENEZIE. In any case during present period will Sub Commission please refrain from calling any VENEZIE officer back to ROME for discussions. We are all fairly busy up here. Signed DUNLOP.

1. With reference to your C-1B/391/0 of 15 MAR, I have the following observations.

2. As regards Mining, Lt. H.Pollard (USM) is assigned from this region to Sardinia. I am not clear whether the word "(Sicilia)" under this officer's name means that he will have any responsibility for Sicily. There are two main points about the sulphur situation in Sicily. Mining supplies to the amount of about half a million dollars are expected to arrive in the near future and it is for consideration as to whether there should not be a Mining Officer available to supervise their distribution.
No procedure has yet been notified for the implementation of the sulphur distribution scheme referred to in your AG/5631/IND of 15 FEB and 5 MAR. Distribution of sulphur would however not be primarily a matter for the Mining officer.

Can it be confirmed please that Lt. Pollard should proceed to Sardinia at the end of this month and that there will be no A.C. officer with local responsibility for the sulphur mines in Sicily.

3. It should be noted that under para 1(b)(iii) of the schedule of personnel, Reggio and Catanzaro are not in Sicily.

4. The C.A.O.s of the A.M.G. Islands of Lampedusa and Pantelleria are shown as coming under Naples command (vide 2(a) of the schedule of personnel). Is it to be inferred from this please that the A.C. personnel in Sicily will have no responsibility for these Islands?

From the civil administration point of view, including the important matter of civilian food supplies, the

Declassified E.O. 12356 Section 3.3/NND No. 785016

Islands of Pantelleria and Lampedusa are administered by the Prefetture of Trapani and Agrigento respectively. Rations, mail and NAFI supplies for the C.A.O.s are issued through the local military authorities in Sicily by means of schooner sailings which take place at somewhat irregular intervals. I do not think it will be practicable for supplies to be controlled from Naples.

In my opinion, these two Islands for the purpose of general A.M.G. administration should come under the Liaison Officer Palermo but ~~xxxx~~ for certain technical matters such as legal - review of court cases - and finance they should come under the technical officers at Naples and ~~xxxx~~ all correspondence should channel through the Liaison Officer Palermo.

Can the situation be clarified, please?

5. As matters stand at present it would appear that the following officers must also remain in Sicily after March 31st:-

Captain Calvanese - I.N.T. Road Transportation.
It is understood that this is the wish of the Transportation Sub-Commission until such time as control of I.N.T. passes to the Italian Government.

Major Withers - Regional Finance Officer.
This officer states that it will be impossible to hand-over all financial matters by March 31st. He is in touch with the Finance Sub-Commission on this matter. Can instructions be issued urgently to enable this officer to be withdrawn as early as possible.
