SUBJECT: Officer Personnel for Local Government Sub Commission

TO : Civil Affairs Section

1. Pursuant to your verbal request the officers who should compose the Local Government Sub Commission are the following:

Major RALPH R. TEMPLE (A) (Director)
Major C.G.R. WILLIAMS (B)
Capt W.I. CUNNINGHAM (B)
Capt J.L. RUSSELL (B)

2. It should be noted that Capt Cunningham (Release Gp 21) is scheduled to be released on January 12 and Capt Russell (Release Gp 24), about the end of February. The WE/TC recently submitted to me provides for two American captains to replace the two British officers. That seems unlikely of fulfilment at the present time because of the lack of American officers with the required technical background.

14. The proposed total number of Officers at Deputy Regional Hq is as follows:-

CHIEF	-	17
TRAIN	-	20
MILAN	-	14
TOTAL	-	51

These figures include Deputy Regional Commissioners, 30 LIIs and 0 1/3 UN Dets.

15. It should be noted that:-

(a) Sub-Commissions have tended to place their LOMBARDIA Officers on the Regional Commissioner's Staff at MILAN rather than on the Deputy Regional Commissioner's Staff, since it is also situated at MILAN.

(b) EMERSON.

Capt.	L. OSKED	(3)
Capt.	L. FRAPPEL	(3)

14. The proposed total number of Officers at Deputy Regional HQ is as follows:-

CHROA	-	17
FURAN	-	20
MILAN	-	14
TOTAL	-	<u>51</u>

These figures include Deputy Regional Commissioners, 30 MILs and 0 i/c US Dets.

15. It should be noted that:-

(a) Sub-Commissions have tended to place their LOMBARDIA Officers on the Regional Commissioner's Staff at MILAN rather than on the Deputy Regional Commissioner's Staff, since it is also situated at MILAN.

(b) Legal Sub-Commission prefers to have all Legal Officers centralised in MILAN, and none on Deputy Regional Commissioner's Staff.

16. Provincial Officers - CACs.

In addition to Officers mentioned above, there will be 2 CACs per Province in each of the Provinces. This works out as follows:-

LOMBARDIA	2 Provinces	18 CACs
PIEMONTE	7 Provinces	14 CACs
LIGURIA	4 Provinces	8 CACs
	TOTAL	<u>40 CACs</u>

...../to Sheet 5.

Sheet 5.

17. You will notice that the Sub-Commission's recommendations do not allow for Specialist representation on Provincial level. My opinion is that such an arrangement is inadvisable unless it is clearly understood that the Deputy Regional Commissioners may place them permanently in certain Provinces should they consider it necessary.

If they are all lumped together at Deputy Regional Commissioner's HQ they will be either out of touch with Provincial affairs or will have to cover considerable mileage to keep in touch.

- (b) Owing to such factors as (i) PUNCH, (ii) class "B" Release, (iii) Long term Hospital Cases, the number of Officers rendered surplus by the amalgamation should be reduced by 15%, i.e., to a figure of 35 for planning over a period of a month.
- (c) The figures given in the table take no account of IIR. To arrive at the effective strength, figures should be reduced by 17%.
