Minute N. 3

C.S.A.

prior to re-mastering in May '44, Cpl. Wilson was not graded as a clerk but as "General Duties". As such he could only be promoted against a C.D. vacancy on the W.B. and no such vacancies were available at the time in question. After re-mastering, Wilson was promoted to Cpl. in July '44.

A copy of C.A. Section recommendation for promotion of Cpl. Wilson will be submitted (with all other recommendations) to Executive Offr. Br., who controls the promotions of Br. OR in A.C.

Minute No. 1

EC.S. (Attn: CSC)

It is considered that seniority is not the only criterion for promotion but that ability be taken into consideration.

With regard to Cpl WILSON please see 39-A and 41-A. It should however be remembered in considering his case that Wilson originally was not EASC and that some time ago he was refused promotion to Corporal on the grounds that he could not be made a corporal clerk as he was infantry. But for this he would have been promoted Corporal much earlier than he was - this original handicap, it is understood, is now being continued - it is now being contended that Wilson has not been a corporal very long.

2406

The proof of Wilson's ability is your contention that this particular NCO is necessary to your Section when SM Picken proceeds on leave. If his work is of the standard that he particularly is required he has earned another stripe irrespective of his seniority.

Further when S/Sgt Leishman proceeds on release it is the intention to ask that this NCO should be made Chief Clerk of Civil Affairs on the grounds of his special qualifications and suitability for that appointment, for which reason it is desirable that he should receive a step soon.

Will you please endorse this to G-1 B.

G-1(5):

Reference para 3 of Minute 1 above.

In the absence of my Chief Clerk and his Deputy, SSM PICKEN and S/Sgt THOMPSON respectively, and in view of my already reduced staff I have found it necessary to enlist the services of an experienced clerk for the period 16 Oct. to 21 Oct. 45 to assist Cpl. WILSON to run the office pending the return of S/Sgt THOMPSON.

My Chief Clerk informed me that Cpl. WILSON was, in his opinion, in view of his long association with the Civil Affairs Section, probably the best qualified to bring in.

I myself do not know Cpl. WILSON but am informed by my Chief Clerk, in whom I have every confidence, that in his view Cpl. WILSON is fully qualified to hold the rank of Sergeant.

Surely, X/ of minute 1 is incorrect. I can hardly believe that being FBI is a bar to promotion but should like to be reassured.

1. On 18th December 1944 this Section sent a letter reference 3/4.4/CA to you recommending the immediate promotion of Private First Class Valerio Bonanni, ASN 32885660.
2. In that letter it was pointed out that Bonanni had been previously recommended on 12th September 1944 by Lt. Col. Robert A. Persell on behalf of the VP.
3. Since the last letter of recommendation from this Section the work of Bonanni has been very carefully watched. In addition to the reasons previously given for Bonanni's promotion there are now additional ones.
4. Bonanni is not merely in charge of all the technical translations of the "Translators Pool" but he has been of distinct help as interpreter during the many conferences which have been held with Italian Government officials on the important problem of Mine Clearance.
5. Therefore it is again strongly urged that he be promoted forthwith and that this Section be informed of the action you are able to take on this recommendation.

SUBJECT : Promotion of Enlisted Men .

TO : Establishment Section, HQ.. AC.

1. On 12 September 1944 Lt. Col. Robert A. Farrell wrote to the H.C. & M.C. Section for the VP Admin Section a letter recommending the promotion of Private First Class Telesio Bonanni, ASN 32855600 .

2. It was stated in that letter that Pfc Bonanni has served as technical translator for this Section for many months and that since the 7th July 1944 he has been in complete charge of the "Translators Pool" of this Section which has previously been under a Staff Sergeant (Morris) .

2383

3. Bonanni's civilian background is one that well qualifies him for the work he is doing and for a higher grade. Now 29 years of age he has had one year of college training in the evening after which he served as a teacher of Italian and a technical translator for the Berlitz Language School in New York. Later he worked as a freelance translator for private physicians.

4. His Army experience likewise indicates that his promotion is long overdue. He entered the Service in April 1943 being assigned to the Army Air Forces and after Basic Training passed the qualifying examination in meteorology and was assigned to the Weather School at Chanute Field Illinois, where he remained until he was transferred to the 107th Regiment .

5. It is strongly urged that Pfc Bonanni be promoted forthwith to the grade of Tec. 5 .

The a/m auxiliary has been appointed L/Cpl. and is being held against the establishment of this Headquarters.

Before promoting her to L/Cpl. I telephoned to ascertain if there was any regimental reason why she should not be promoted. I spoke to CSM Gidding and CSM Bilby as neither S/Cdr. Morrison-Bell or J/Cdr. Stride were in at the time.

Pte. Gahan was a L/Cpl. before posting for overseas, and I think she will make a very good junior N.C.S. 2381

HQ AC have written to you, Ref 2-1B/476/W dated 5 Dec 44, giving you all the information regarding her promotion. Could you be so kind as to let me have the Part II Order number, etc and I will enter it in her AB 65 so that she can draw her extra pay, if that is agreeable to you. 2372

I hope to have the a/m auxiliary trade-tested and passed Clerk Class I Group C in the near future; at present she is Class II. When she has been trade-tested I will send you all the necessary particulars for publication in Part II Orders, and enter particulars in A.B. 61 when you furnish the numbers.

In some respects the Chief Clerk of Admin Sec acts as the Chief Clerk of the ~~Group~~ Sub Commands. It is particularly desirable therefore that Sgt Leishman should be promoted as soon as possible to S/Sgt. ~~by this is possible~~
