1. With reference to your 4/7.1/AS of 18 May 44, my main Regional Conference at which representatives from all branches of my staff and Provincial Commissioners are present is held approximately monthly at Regional H.Q. about 14 days after the Regional Commissioners' conference in NAPLES. The approximate date depends upon the date on which the minutes of the Naples Conference are received as it is my practice at my main conference to go through the minutes of the Naples conference and discuss any important matters.
2. In addition to the above I hold a staff conference every Saturday morning at 0930 hrs to receive progress reports from Special Divisions, to co-ordinate matters of general interest and, if necessary, to plan.
3. Special conferences are also held as necessary to consider particular matters and if Provincial Commissioners are concerned, these normally take place at ORISTANO which is our central meeting point on the Island.
