1. The question of enquiries concerning the suitability of marriage with Italian nationals by British soldiers has been taken up with AFHQ, and they have replied that the matter is one for the local commander.
2. You will remember that Allied Commission agreed with A.A.I. in the early days to undertake such enquiries through their Public Safety Officers, as it was not anticipated that there would be many applications for marriage.
3. Since that time the number has increased considerably, while Allied Commission personnel has been withdrawn completely from the whole of Southern and Central Italy.

It will be noted that at the time of the application the parties had only known each other two or three months. It would appear that the parties have had ample opportunity to consider the matter and that as they are still of the same mind permission should be granted.

CONFIDENTIAL

Subject: Request to marry.

The Officer Commanding
2 GHQ Signals.

Sir,

I have the honour to apply for permission to marry an Italian subject. This is my second application, the first was made to the Regional Commissioner Sicilia Region Allied Commission in July 1944. This application was refused on the grounds that it would result in my re-posting at a most inconvenient time.

I have read a publication -364A of 15 Sept 44- issued by the G.O.C. 3 District and venture to suggest that my case is an exceptional one.

May I bring to your notice the following facts:

1. I have been acquainted with my fiancée for one year and six months. For the first fifteen months of this period she acted as my private secretary (AUG/AC Telecom Section Palermo August 43-October 44.)
2. My fiancée speaks fluent English and I fluent Italian. We have very similar tastes music, cuisine, décor etc.,
3. Disparity of religion has no bearing on my particular case as my own family are a mixture of Irish Catholics and Protestants.
4. My fiancée has been corresponding with my family for about a year and is already "persona grata". I have my parents full consent to the marriage (see Air Letter Card attached.)

5. Some time before leaving Palermo I approached His Eminence the Cardinal Archbishop of Palermo and obtained his permission and blessing. I have discussed the question with three C of E chaplains who all agreed that there could be no objection on religious grounds.

I beg that permission be granted for the wedding to take place in early April 45 as I am anxious to safeguard my future wife from the perils political and economical now besetting Sicily. My long service overseas makes another factor as I have already refused home posting under "Python".

I am, Sir,

"Article I - Members of the United States Forces, including members of the Women's Army Corps, are eligible to marry in the territories governed by the French civil and military commander-in-chief, notwithstanding the existence of the provisions of the decree of 12 November 1938, upon presentation of the certificate referred to in Article II hereof."

"Article II - A certificate by the Commander of the United States Forces, or a person designated by him, showing the military and civil status, domicile and, in accordance with United States law, the eligibility of the person to be married will be accepted in lieu of copies of birth certificates or the notary's affidavit set forth in 70 and following articles of the Civil Code, as well as the "Certificat de Coutume" stating that the domiciliary matrimonial requirements are in order."
