SUBJECT: Redesignation of War Materials Disposal and Italian
Prisoners of War Sub-Commission and Reallocation of
its functions.

TO : Executive Commissioner.

Further to my AM/87 dated 27 August 1945.

1. It has been essential that certain members of the Sub-Commission should combine both WMD and IPW subjects in their daily work, and for this reason the split is a little involved.

2. I have shown the set-up of the Sub-Commission, together with my suggestions for the split, on attached charts 'A' and 'B'.

3. It will be seen, that on the split, both divisions become short of personnel, and as the strength of the Sub-Commission has always been kept at a bare minimum, in my opinion it is necessary for both officer and other personnel to be made up before the actual hand-over takes place.

4. There are a number of outstanding questions on IPW which I think require clearing, and for this reason I suggest that the location of both divisions remain at their present locations, at least until 14 September 1945, so that I may clarify and clear up with General Mannerini all outstanding questions.

5. I do wish to press the point that, if both divisions are to work satisfactorily, it is essential that the staffs should be made up forthwith.

31 AGO. 1945

TO : Chief Commissioner.

I have just had a meeting to settle the split up of the War Materials Disposal and Italian Prisoner of War Sub-Commission. The following decisions were taken subject to your approval:

- (1) Lieut.Colonel CAMPBELL (B) with 17 officers (8 British/9 US) will form the War Materials Disposal Sub-Commission of the Economic Section. 8 of these will form HQ in ROME, 6 in MILAN, and 4 in the field. 9 British officers are now in the Sub-Commission; 6 US officers including a Deputy Director will have to be found. Colonel Parkin has directions on this.
- (2) An Italian Prisoners of War Division will be set up in the Civil Affairs Section under Lieut.Colonel REGIS (A) as chief of the Division, and 4 officers. 3 of these officers are now with the Division and a British Major is to be appointed. G-1(B) has directions on this point.
- (3) The date will be 1st September with agreement that there shall be a physical overlap of 7-10 days.
- (4) I propose to return to the charge with AFHQ on transferring the responsibility for Italian POW to the Land Forces Sub-Commission. It is abundantly clear from our experiences in the last 6 months that this should be done.

WMD: IPOW S/C inform me that there are now
no Italian Prisoners of War in Italy except
neo-fascists. If the responsibility for neo-fascists
rests with the Italian Army presumably
questions of release will be dealt with by you so far
as the H.C. is concerned. May I have your views?
IPOW does not deal with Italian Prisoners in ITALY
