SUBJECT : Repaired Salvaged Clothing and Boots.

TO : Civil Affairs Section  
Lt. Col. Bonham-Carter

1. In recent weeks demands for repaired army clothing and boots have been diminished steadily. At the same time it has been increasingly difficult for the Commerce Sub-Commission to find trained personnel for carrying on the reprocessing of salvaged garments.

2. Therefore it has been decided to transfer the supervision of the repairing process and the work of allocating the finished garments to the Italian Government. Thus in the future the Istituto Nazionale per il Commercio Estero will exercise control over the reprocessing of clothing and shoes and all allocations will be made by the Ministry of Industry & Commerce. Commerce Sub-Commission will no longer be responsible for either repairing or allocating.

3. Thus from the present moment, Civil Affairs Section will no longer receive weekly allocations of clothing from this office. If Sub-Commissions or Branches of the section are in need of clothing in the future, demands will be made by them on the Ministry of Industry & Commerce preferably via their corresponding agency in the Italian Government. No further requests for these items will be accepted by this Sub-Commission.
