SUBJECT : General Order No.26 (Revised) and General Order No.32.
 TO : Economic Section (Attn. Mr. Antolini).

1. Reference yours 5 October 1944, ES/44.
2. General Order No.26 to which you refer is not involved. That Order was signed on 6 June 1944 and was subsequently published.
3. The two orders which are under discussion are General Order No.26 (Revised) and General Order No.32.
4. General Order No. 32 was drafted at the specific and urgent request of the Economic Section. In order to conform the terms of General Order No.26 thereto it was necessary to revise the same, and General Order No.26 (revised) was drafted accordingly. The responsibility of the Legal Sub-Commission ended when it delivered the foregoing General Orders to the Economic Section on 13 August 1944 along with the certificate of the Chief Legal Officer. As pointed out in our letters of transmittal both under date of 13 August 1944 ACC/4074/9/L and ACC/4074/15/L, it was then the responsibility of the Economic Section to secure the execution thereof by the Executive Commissioner and to arrange with the R.C. & M.G. Section for printing and distribution. Your files along would indicate what dispositions were subsequently made thereof. As a matter of interest however we have checked with the Civil Affairs Section and are advised by it that General Order No.26 (Revised) and General Order No.32 have not been received from the Economic Section.
5. In response to Para 1 of your letter, it is necessary to point out that the fact that legislation has been promulgated by the Italian Government is totally irrelevant to the subject. Italian Legislation even when extended to Military Government Territory by implementation through the Gazette is not thereby extended into and over army areas. To accomplish the latter the mechanism of a General Order is used. It was for that purpose and that purpose only that General Order No.32 and General Order No.26 (Revised) were prepared at your request. The corresponding Italian Legislation had already been implemented in Military Government Territory save only in army areas, and solely because it was the desire of the Economic Section to have such legislation extended into army areas as well, were General Order No.32 and 26 (Revised) prepared and forwarded to it. Why the Economic Section did not cause these orders to be executed and published, we of course have no means of knowing.

1735

Declassified E.O. 12356 Section 3.3/NND No.

785016

6. Brigadier Upjohn has requested that we now ascertain whether it is the intention of the Economic Section to activate General Order No 26 (Revised) and General Order No. 32. If not they should be cancelled from the records of both the Civil Affairs Section and the Legal Sub-Commission. May we be advised accordingly?

7. Brigadier Upjohn also desires advice as to whether it is the intention of the Economic Section that General Order No. 31, be published which was forwarded by us to the Agriculture Sub-Commission with our certificate on 20 July 1944. With respect to that order, also, the Civil Affairs Section has received no instructions for printing. Will you advise, please.

8. Returned herewith are the enclosures which accompanied your letter acknowledged herein.

1. From time to time General Orders are prepared by you for various Sub-Commissions and given serial numbers. It has happened that several of these Orders have never been submitted for signature and consequently have not been published. This may be due to change of policy or other circumstances of which you have no knowledge.

2. I have agreed with Lt. Col. Grossman that you will send C.A. Section a copy of your final letter in which you send the General Order along with your certificate. By this means we shall be able to follow up and keep a check on all Orders prepared.
