My dear Mr. Prime Minister:

This is in reference to your letter No. 10287-1/1/1.15 of 1 September 1944 asking approval of the appointment of Prof. Giorgio Candeloro as Commissioner of the "Italian Youth" organization.

I am informed that the appointment to which you refer has already been made by decree of the President of the Council dated 18 August 1944 and that Prof. Candeloro has already assumed his new duties.

It is understood that before the appointment was made there was informal consultation between the Minister concerned and the Director of the Education Sub-Commission, Allied Control Commission.

I agree that the more formal conveyance of approval by letter to you is desirable and that informal consultation at an early state on a lower level is also advantageous, but by some oversight on this occasion the appointment, to which there is no objection, appears to have been made prior to your referring the matter to the Commission formally.

Yours very truly,

2213

ELLERY W. STONE

Acting Chief Commissioner

Agreed entirely, but I wanted to make the point that these "committees" are in my opinion being given too much rein, thereby, delay the organization of local Govt. machinery.

2. The 2 / 1 / 6 himself said to us all "Get down to administration & ~~control~~ 'politics' = no words to that effect.

3. The mechanics of these committees are in my opinion having the reverse effect.

2212

4. The Italian Govt. I think you will agree, are to be consulted - If they say X the committee says Y, who prevails between the two? A strong A.M.G. officer would soon decide, but the whole tendency of "committee" appointments as suggested by 8. Army is wrong in concept in my judgement.

6 September 1944

SUBJECT : Appointment of Prof. Giorgio Candeloro
as Commissioner of the Secondary Offices
of the Gioventu' Italiana.

TO : Acting Chief Commissioner
Through: Administrative Section.

1. Reference is made to your inter office memorandum, File No. A/CC 350, 2 Sept. 44, and the letter of Prime Minister Bonomi attached thereto, No. 10287-1/1/1.15, 1 Sept. 44.

2. The following facts have been ascertained:

a) On 25 July, the Minister of Public Instruction notified Col. Smith that Prof. Candeloro, Avv. Tallarico and General Chatrion had been designated as representatives of the Presidency of the Council of Ministers, the Ministry of Public Instruction and the Ministry of War to form a Commissariat to administer the affairs of the ex G.I.L. Col. Smith was further notified that the appointments would be made by the Presidency of the Council.

b) Col. Smith acquiesced in the nominations pursuant to his policy to support Ministerial Appointments unless specific reasons were ascertained for advising against them.

c) The Chief of Cabinet, Ministry of Public Instruction, reports that the appointments were made by decree of the Presidency of the Council on 18 August, 1944. Prof. Candeloro has already assumed his new duties in an office at the Ministry of Education.

3. Inasmuch as the appointments have already been made with the approval of Col. Smith, it is recommended that they be allowed to stand. It is suggested, however, that the inadvisability of requesting approval of appointments from the Chief Commissioner some two weeks after the appointments have been made and the fact accomplished might be called to the attention of the Italian Government.
