Date 5/12/45

SUBJECT: Lists relative to Epuration - 30/11/45

1. The cases shown 3 months ago in column (d) have been completed, as shown in the 30 Nov list.
2. Concerning the appeals made by civilian personnel not examined by the Central Epuration Commission I point out that the epuration laws do not lay down any time limits. Therefore it is not in my power to request a greater speed up, specially as, in accordance with Lt. of the Realm decree No.702 dated 9/11/45, the Central Commission has ceased to function and in its place has been ordered the forming of a special State Advisory Section, which as yet has still not started to work.
3. The 30 Nov lists have already been sent in accordance with the old procedure. Providing no further instructions are received, the new procedure will be followed w.e.f. 15/12/45.

SUBJECT: Expiration Returns - 30 Oct 45.

TO : Land Forces S/C

- 1 The attention of the Expiration Commissions concerned should be drawn to the comparison between the present col (e) as compared with col (d) as at 31 Jul. The time limit for proceedings is three months; it follows therefore that every case in col (d) three months ago should be completed now, and as all cases do not take so long as three months, the total of col (e) should be still larger by the number of cases which have taken less than three months. You will ask for an explanation of why col (e) is so far short of its proper figure.
- 2 Appeals lodged on or about 15 Feb are still in process of being heard. If col (g) is markedly less than col (f) of 15 Feb please ask the Ministry to ascertain when the appeals may be expected to be heard.
- 3 You will please instruct all concerned that in view of DL 702 having come into operation, returns from 30 Nov inclusive will contain only figures relating to grades I to VII and the comparable grades of civilians operatable under that Decree and that the column lesser punishments will no longer be used.
Below the form and not included in the total will be a line "other grades" as to which only cols d, e, f, g, h, i, will be completed.
- 4 You will realise that the explanations for which you are asking may lie in the fact that grades 8 and 9 are no longer liable normally to Expiration and that in anticipation of this becoming law these grades have deliberately been allowed to drop behind. Your enquiries cannot be phrased forcefully. The return for 30 Nov on the new lines will show the facts as to this.

All Sub-Commissions should compare col (e) of 30 Rep with col (d) of 30 June. All cases have to be completed within 3 months of their initiation. All cases shown as initiated on the 30 June should by now be completed. As this is an outer limit and many cases are no doubt completed in less than the maximum time it follows that col (e) now should be substantially greater than col (d) at 30 June. Where it is less an explanation should be asked for. If the difference is large and the explanation is not considered satisfactory, but not otherwise, the facts will be reported to this Section.

Similar action can be taken under Art. 2 of Decree No. 1787 of 11 Oct. 44.

1. Herewith attached please find Deinstitution Progress Reports for period ending 30 January 45 showing:-

- a) Military personnel
- b) Civilian personnel.

2. The report on military personnel is now correctly graded in the case of Grades I-IV. Other grades have been set out as follows:-

- | | |
|----------------|---------------------------------|
| i) Grade V | - Brigadier-Generals |
| ii) Grade VI | - Colonels and Lt. Colonels |
| iii) Grade VII | - Majors and Captains |
| iv) Grade VIII | - Lieutenants and 2/Lieutenants |
| v) Grade IX | - C.R.s. |

3. It will be noted that Grades I-IV, in the case of both military and civilian personnel, have not been completed as laid down. Ministry of War have, as a result, applied for a further extension of time up to 28 February.

4. Ministry of War have stated that this incompleteness of cases is due to the High Commissioner who is holding up a number of cases.

It appears that work is being held up to a great extent by present High Commissioner.

1. Enclosed herewith please find Defascism Progress Reports from Ministry of War for period ending 31st December showing

- (a) Military Personnel
- (b) Civilian personnel

2. Differences in figures will be noticed in the case of military personnel owing to the fact that Ministry of War are no longer going to include the private soldier grade.

3. Progress Report in the case of civilian personnel will be found to have been regraded and are now classified under the correct grading.

4. In the case of the Grades 1 - 17, Ministry of War have been granted an extension up to 30 Jan for the period of completion.

Grades 1 - 17 for the Italian Army include all ranks of Generals and are shown as all under Grade 1 in the Progress Report. This is due to the fact that the column (a) shows each rank in the It. Army as a separate grade.
