Minute of Meeting
held on

31st July to discuss amendments etc.
"Instructions for the Guidance of Officers of the Commission"

Present:

Col. E. L. Clough
Mr Col. S. N. White
Major Bruce Thompson
Major J. S. Reakes
Mr. Warren

1. Major Reakes explained to the meeting that all executive memoranda from 48 to 71 were in hands of the printers and it is hoped that these will be issued shortly. He also explained that the delay was caused first by the printer missing out a number of the memoranda and also due to the HQ moving from Naples to Rome.
2. It was agreed after some discussion that the book should be published in two volumes - volume I being retained solely for executive memoranda and volume II for parts 2, 3, and 4 and the index as it stands.
3. Col. White pointed out that a number of amendments will have to be made in executive memoranda etc. to bring the book up to date. (The Sections have been asked to let us have the first amendments by 10th August.) Col. White stated that Admin. Section had no further amendments to make other than what had been already notified. Econ. Section would go into the matter with the Sub-Committee and let us have the amendments as soon as possible.
4. A number of the Establishment memoranda have no title or headings and Col. Clough said he would have these ready for issuing as amendments.
5. Reference numbers should also be added at the end of each memo. These would be issued as amendments. Executive memo 72 should be issued as number 7 replacing the old 7 in book. It was agreed that 5 A should be reprinted to follow the Establishment memo number 5. It was suggested and agreed that appendices should be taken from the end of the book Part 4 and placed beside the memoranda to which they refer.
6. Index - It was suggested and agreed that the index should not be extended any further and that simply a list of memoranda be put in front of each part of the book which would show the nature of the contents and could easily be added to when necessary.

Major J. S. Reakes
Mr. Haron

7. It was agreed to instruct the printer to get new covers prepared for issue as soon as possible.
8. Col. White raised one or two points which required revision in Executive memos and Establishment memo numbers 2 and 3. It was agreed that these would be considered and dealt with in due course.
