SUBJECT: Instructions for the Guidance of Officers of the Commission.
FILE No: RHII/461.1

1. Reference your CL/182/SC of 15 March 1945 and CL/203/SC of 6 April 1945.

2. The majority of officers recently assigned to Veracruz Region report that they were issued a copy of the instructions by the Region to which they previously were assigned, but in accordance with the procedure laid down by HQ A.G. on this matter, turned in their copies to their respective Regions. Presumably, in the case of Southern Region, these copies are now held by your office or by that Region.

3. It is clearly understood that no additional copies of the basic book will be printed and that it cannot be expected to have sufficient copies for every officer on the strength of Veracruz Region. However, the task of making an equitable distribution of the available copies within this Region would be greatly facilitated if officers who previously held copies in other Regions (particularly Southern Region) were re-issued their original copies of the basic book. May this proposal please be given consideration.

REF NO : R 12/32/R/2

25 Apr 45
APR 10 1945

SUBJECT : Instructions for the Guidance of Officers of the Commission.

TO : H.Q. A.G. (Office of Executive Commissioner).

1. Distribution has now been made of all the copies of the Basic Book and Amendments forwarded under your 82/107/EC of 14 Mar 45 and previously, and receipts obtained from the officers concerned.

These, 22 in number, according to the attached list (List "A") are forwarded herewith. Receipts in respect of the officers listed at Serials 7, 8, 16, 17, 21, 24 and 27 will be forwarded when obtained.

2. Copy No. 11 Basic Handbook (enclosed) was earmarked for Lt. Col M.J. PETER who is no longer with this Region. Will you please arrange for the copy to be forwarded to him.

3. Not all the copies forwarded were complete, but by re-sorting the contents it was found possible to reduce the deficient copies to two - Nos. 714 and 1349 - which have not been issued. Only the top cover of No. 645 was received and is returned herewith, while No. 1349 was received but not listed in your letter.

4. Also enclosed is the list (List "B") referred to in this H.Q. letter of even number dated 28 Mar 45, of all officers holding copies of the Basic Instructions, with the numbers of the copies where known, for whom no formal receipts are held.

For the Regional Commissioner.

I am sorry to delay replying to your letter of 13 April 1945, but strange enough during the last few days we have been somewhat busy.

Our records show that a number of your officers in your Region have Volumes I and II of 'Instructions for the Guidance of Officers of the Commission' with the reprints and amendments issued from time to time. These two volumes contain all the Executive, Establishment and Office Memoranda.

However, they are not quite up-to-date and I therefore enclose a complete set of mimeographed memoranda which have been issued since the last printing for the books was done.

Since you are at Chianciano, you may care to ask Piemonte Region to show you a copy of a booklet they have recently issued. It is very good indeed and I recommend that you see it if you have not already done so.

Do let me know if I can help you any other way.

Major.

13 April 1945

My dear Madam,

I am going to trouble you with a personal request as on coming to the Group of 6 Provinces of my Region at CHIANGKANG I find that nowhere exists a complete set of Establishment Memoranda nor of Executive Memoranda from A.C. Region at the moment are somewhat upside down and appear to have the impression that these Directives are not important once one gets into a territory.

I am most anxious that we should start off in our Province on the right foot and wonder if I can trouble S/Sgt Thompson, through you, to obtain for me one complete set of Establishment and Executive Memoranda and of any other vital documents which affect our daily life and to send same to me as early as possible to BESGAMO Province, Region LORABALLA.

I am sorry to trouble you in this unofficial and un-channelled way but it is done in the interest of the cause at a time when I had hoped to find some more of our Regional programme planned.

Yours sincerely,

David Hardy. Hatcher

Col. W.G. PIDSLEY and Major.D.S.L. GREGSON,
who are attached to this HQ from Allied Commission,
have requested that their copies of "Instructions for
the guidance of Officers of the Commission" may be
kept for them by the Allied Commission for their
subsequent use, if and when they cease to be attached
