02: Col WIDERSPACH-THOR, French ARMY, advises provincial commissioner of CHIESO province that the French are leaving at 0900 hours 10 July for 5. He also stated that he thought the handover would be quiet and uneventful regarding the populace. The only place where trouble is likely to arise is REALDO 13714 where almost the entire population of 400 made request that they desire French citizenship. It is reported that ex-partisans of brigands now in the hills intend to visit village when French leave and destroy or burn village. It is intended to send the bulk of the CCPR to this area and also 2 plain clothes CCPR to ascertain if there is any foundation in report.
