The next Conference for Forward Regions and Army AMCs is at SIDA on Wednesday 27 September 44, and I hope you will be agreeable to extend to those desiring it the accommodation facilities you have so kindly placed at our disposal in the past.

So much labour has resulted in finding out the numbers desiring your hospitality that on this occasion I have asked people to make their own arrangements with you direct.

I hope to be with you on the nights of 26 and 27 September 44.

1. Referring to your kind offer of accommodation for those attending the Conference twenty one Officers including the Executive Commissioner and his Secretary would like to avail themselves of your hospitality. As far as can be determined at the present time will also be fourteen OR/12/Italian drivers.
2. All will be arriving for the night of Tues. 12 Sept but the number who might also like to stay on the 13 Sept is problematical, as some may return to HQ or travel on elsewhere, depending on the time the Conference ends. There are two Officers who will arrive on the morning of the Conference and would like to stay that night only.
3. I hope that these large numbers will not be stretching your hospitality too far.

My dear Maurice

17

Many thanks for your letter of the 1st.

I had already assumed that we should have the pleasure of the company of some of the Siena party on the 12th and 13th and had written officially to say so.

It would be a help if you can give us approximate numbers before hand, but don't worry if the estimate is a bit vague. We can put up lots of folk here. I hope some of our own teams may be on the way by then.

We are certainly looking forward to having you personally with us. Your visit is long overdue.

Yours ever

3. CHIACCIANO is two hours from SIENA.
4. Dinner is at seven: later meals can be provided if notice is given.
5. Brigadier Dunlop is informed that X members of your Section will avail themselves of his hospitality.

I have warned them to be there by dinner time

TO : Brigadier Maurice Lush, OBE, MC

11 August 1944

FROM: Brigadier John K. Dunlop, OBE, MC, TD

Dear *Maurice*

Your journey to the next Wednesday's meeting at A.A.I. will, in view of the move of A.A.I. H.Q., almost certainly demand a stay overnight somewhere.

This is just to say that we shall be delighted to put up and feed, on Tuesday and/or Wednesday nights, any number of officers from Rome. We can supply bedding for them.

The detour via Chianciano will not add appreciably to their journey. They should come up Route 71 to the road junction, 72 Km north of Cita della Pieve, then through Chiusi and Querce Al Pino to Bagni di Chianciano. The road is quite practicable for civilian cars. Warn everybody not to get off the road. This area is pretty heavily mined. The journey onward from here to HQ AAI will take just two hours.

We dine at seven, but could provide later meals with a bit of notice.

We have, as yet, no electric light, so, we should be glad if visitors did in any case, get in before eight.

It would be a help if you could let me have, by Monday, a rough estimate of numbers to expect, but post entries will be willingly accepted.

P.A.

*Will you take
this up with them
Will not go but by
Grossi*

Yours *are*

SUBJECT : Provincial Commissioner's Conference.

13 AUG Recd

TO : Executive Commissioner, ACC.

1. With regard to the Provincial Commissioner's meeting being held here on the 16th.

I have arranged for a suitable room in the Prefettura. For those who do not know SIENA the surest way is to make for the Cathedral which is unmistakable. The Prefettura building forms the South East face of the Cathedral Piazza (Della Quercia) and the Allied Flags are in full view. I have also arranged for a buffet lunch for all, so that no one need bring sandwiches. Cars can be parked in the Prefettura courtyard.

1. The following will represent the Economic Section at the Forward Areas Conference to be held on Wednesday, 16 Aug 44.

2. Colonel G. D. Murphey, G-5, AFHQ will also attend and if possible, Colonel J. S. E. Todd, Industry Sub-Commission will also be present.

3. Please advise if this assumption is correct, and state whether you are issuing detailed transport arrangements and making the necessary reservation of accommodation for Tuesday night.
