MEMORANDUM TO: Colonel C. B. Findley,
Director, Displaced Persons S/C.

JUN 18 1946

In a recent call from the new Chinese Minister to Italy, the Minister mentioned that some 400 Chinese DP's are maintained at the AC DP camp at Aversa. He would be grateful if you could do all that you can to expedite their onward passage to their native country.

I assured him that I was certain that you would do all possible toward meeting their problem.

LÉGATION

DE LA RÉPUBLIQUE DE CHINE
PRÈS LE SAINT-SIÈGE

Grand Hôtel, 11 October 1945.

Dear Admiral Stone,

May I submit to you the following request? At the University of Propaganda Fide, there are thirty four Chinese Students, and in addition four others in various Italian Colleges. Most of them have finished their studies, some have even obtained two or three doctor's degrees. Their return to China has only been delayed by the war. Now that hostilities have ceased, they wish eagerly to leave. Also, the Chinese Government would like to have them at home - they are about to begin the repatriation of our students in France and in Switzerland.

I beg you to give this matter your kind attention, and I should be very grateful if you would see that they are repatriated as early as possible.

With my high regards, I remain,

Sincerely yours.
