The fact that Isley + Yugoslavia are not in relations even not automatically means that Dr. Suddelka has no diplomatic status. In fact Dr. Suddelka's diplomatic immunity - like that of the Greek rep^y - depends from Athens. This is a mis-statement which was based on conversation with the Italian Ministry of Foreign Affairs and with the British and American Embassies.
The Italian Authorities were concerned over the fact that their newly instituted frontier and airport controls would have to grant diplomatic privilege to Jugoslavs before relations between their two countries have been resumed.
However, permits have been issued to two couriers and it is not felt that any further difficulty will arise out of this error.

It is understood that some time ago you asked the Italian Ministry of the Interior, through the Prefecture of Perugia, for information about the Yugoslav citizen Zivojin Mastrovic, son of Denta, whilst he was attending the Perugia University from 1942 to 1944.

The Ministry of the Interior has now informed the Ministry for Foreign Affairs that the a/n Yugoslav, during his stay in Perugia kept good conduct and it does not appear that he joined the G.U.F. or other similar fascist organisations.

Police Transportation te till 19 November 1945 when I received a certificate No 370344. (Army book 361) signed by Lt.Col.G.V.Lewis, 55 Area. Notwithstanding my personal and my lawyer's interventions till to-day I did not succeed in getting any reply or explanation, as the mentioned authorities refused to receive us.

On 16 May 1946 I received a citation from the "Ufficio civile per gli indennizzi delle requisizioni militari" - Trieste, Piazza Impero 7 and when I came there the statement that I was offered a compensation of Lit.-80.000.- for the car, and if I did not agree with it I might ask for the derequisition. I asked for that with my application of 5 June 1946, the amount of Lit.- 80.000.- representing hardly 1/10th of the real value of the car and the requisition infringing the existent laws and prescriptions. On 15 June 1946 I received the information I may apply directly to the Allied Authorities in this matter.

I beg to ask this Government as the only administrative authority in this territory to secure the interests of its inhabitants and the principle of respecting private property.

I hope my justified request will be granted and my application for the immediate restitution of the motor-car resolved in my favour.

Otherwise I shall be compelled to choose the way of a regular diplomatic intervention through the Foreign Office of the F.L.R. Yougoslavia in order to take care of my interests.

I beg to enclose the copies of Miss Cita Perkan's and my own letters to Lt.Col.Smits.

Hoping to have an early favourable settlement

I beg to remain

sincerely yours

DELEGATION OF THE FEDERAL PEOPLE'S
REPUBLIC OF JUGOSLAVIA
TO THE ADVISORY COUNCIL FOR ITALY

Pov.Br. 63 || 47

15 January 1947

SUBJECT : FRANOVIC Bozo, detained by F.S.S.
TO : The Supreme Allied Commander, Mediterranean Theatre.
THROUGH : The Chief Commissioner, Allied Commission.

I have the honour to state on behalf of the Yugoslav Government
as follows:

Prof. FRANOVIC Bozo, Yugoslav national, born in 1908, at Dobrota,
District of Kotor, Yugoslavia, was arrested by the Italian Fascists
on 13 July 1941, in Kotor, and was detained in Italian prisons in
Albania and Italy until the capitulation of Italy. After the libera-
tion of the Italian territory Prof. Franovic came to Padua and lived
there with the family of a Leonida Zota, his relative. There he was
arrested by the British Military Police F.S.S. on 27 January 1945.
He remained in the prison in Padua at the disposition of F.S.S.
until 20 January 1946. On that date he came, accompanied by the Police,
to say Good Bye to his relatives in Padua and it was explained to
them that he was going to be repatriated. Though, Prof. Franovic was
transferred to an unknown destination, he did not come home up to
date and no information could be obtained about him since.

In spite of repeated requests of this Delegation for information
about him from the Allied Authorities (reference our letters to the
Legal Division, H.Q.A.C. Br. 1379/46 of 9 September 1946, Br. 1567/46 of
24 October 1946, and Br. 1880/46 of 28 December 1946), no satisfactory
reply was obtained.

Considering the foregoing I protest most emphatically on behalf
of the Yugoslav Government against such proceeding of the British
Military Authorities in Italy towards citizens of the Federal People's
Republic of Yugoslavia, and I demand that Prof. Bozo Franovic be
released and repatriated without delay.

Dr. S. J. Smodlaka

Sir,

I have the honour to refer to your letter Ref.br. 1235/46 of 7 December, the contents of which have been communicated to LONDON and to WASHINGTON, and to say that this Headquarters has had no instruction as to the appointment of a Yugoslav liaison representative on its staff. It is regretted that it is not possible to recognise your appointment until instructions authorising the appointment are received.

As the arrest in ITALY of persons who are alleged to be traitors and orders for their extradition are the responsibility of the Italian Government and not of the Supreme Allied Commander, it is not considered that any useful purpose would be served by the meeting which you suggest to discuss this matter.

DELEGATION OF THE FEDERAL PEOPLE'S
REPUBLIC OF JUGOSLAVIA
TO THE ADVISORY COUNCIL FOR ITALY

Pov. br. 33/47

11 January 1947

SUBJECT: Zivota Melamed.

Dear Brigadier Carr,

The charges against Mr. Zivota Melamed, as contained in the letter from your office no. 690/80/EO, dated 4 January 1947, are without foundation. Mr. Zivota Melamed is an employee of the Printing Office of the National Front of Serbia and his job is to purchase materials for printing for his office. As such he travelled in Switzerland and Italy for business reasons at the time when he was arrested. It is therefore requested that Mr. Zivota Melamed be released without delay.

It is not clear to me and I would like to have it explained how was it possible that the Allied Police could arrest and FSS 427 could detain at their disposition the Yugoslav citizen Zivota Melamed on territory under the administration of the Italian Government.

Very truly yours

Purchase of Jeep by Yugoslav Delegation A.C.I

In reply to your 690/62/EC of the 8th inst.,
I regret to inform you that we have no jeeps for
disposal, and that it is unlikely that we shall have in
the future.

All such vehicles in roadworthy condition are
retained by the Services.

It is possible in the near future that we may
have a Class 1 or 11 P.U available for sale.

If this would be of interest, it would be
necessary:-

- a) to obtain the sponsorship of the British
Embassy.
- b) for sterling payment to be made in LONDON.

Alternatively a jeep might be procured either
from O.F.L.C or A.R.A.R, the American and Italian dis-
posals organizations.

4 September 1945

My dear Dr. Szodlaka,

I find it necessary to again draw your attention to the AMB instruction contained in this Commission's letter to. 590/34/12 dated 25 February 1945 regarding the channel of communication.

All letters for AMB and other agencies should be passed through the Allied Commission and not sent direct.

At present similar enquiries are being passed to three and sometimes four addressees. I quote the following examples:

a) Requests regarding the torpedo boats and the submersibles were sent through this Commission, AMB, the British Ministry of War Transport and the Naval Officer-in-Charge, Trieste.

b) Requests regarding the S/O "DANIEL", "JULIAN BUSTON", "TOMASO" and 19 other craft were sent through this Commission, AMB and the British Ministry of War Transport.

I am sure that you will agree that enquiries from multiple addressees cause confusion and unnecessary work and I would ask that in future you will confine your inquiries to the proper channel.

Yours very truly,

Lt. E. W. Stone

22nd May, 1946

The Secretary
Italian Embassy
LONDON

Dear Sir,

When Mr. Vladerra Millichevitch, former Yugoslav Minister of the Interior, left Rome in 1941, he left his 1940 model Packard car in the private garage of M. Allegretti, Via Tagliamento 41, Rome, and we enclose ~~very~~ copy of agreement entered into concerning this.

This car is the private property of Mr. Millichevitch, but had a diplomatic number (Roma 0159 (targa di circolazione) as he was at that time Special Attache to the Yugoslav Embassy in Rome. He has an agreement with the firm of Packard, date 14.11.1941 signed by Mr. Wagnarelli, and he also holds an official letter from the Swiss Legation - who were looking after the interests of Yugoslavia in Italy - that they would look after the car.

In 1943 our Group of Companies bought this car from Mr. Millichevitch and paid him an advance sum, the remainder to be paid when the car was delivered either to our representative in Rome, or Paris.

We believed that Mr. Millichevitch would be in a position to fulfil his agreement at an early date after the liberation of Italy, but up to now he has been unable to obtain possession of his car. He informs us that he has made every effort, through the Yugoslav Embassy here in London, to hand the car over, but the Yugoslav Embassy regard him as a political emigrant. A few months ago he informed us that he had learnt that the car had been taken, without his consent, from the private garage by Mr. Mihe Kreka, Yugoslav representative to the Mediterranean Commission, and the latest information is that it is now being used by Mr. Slaven Smolaka, an official on the Mediterranean Commission.

Under these circumstances the Alliance Press Group of Companies are seeking your aid - through your Minister of Foreign Affairs in Rome to obtain possession of this car for Mr. Millichevitch and ultimately for ourselves, and in the meantime to forbid its use and its conveyance out of Italy.

Any assistance or courtesy it is within your powers to extend us will be very greatly appreciated by this Group of Companies.

R.A.A.C.

In February 1945 the Yugoslav Captain Babich, qualifying himself as a member of a Military Mission with the Allied Forces, ordered that the apartment located at 2 Via Treviso be put at the disposal of such Mission. The inhabitants of such apartment were temporarily absent from Rome on account of war emergency.

Captain Babich established a rental price of £.1.500 per month and forbade the removal of the furniture.

This apartment was never used for office purposes, but was inhabited by Capt. Babich and by his guests.

The tenant of the flat, Mrs. Marzotto, asked Capt. Babich, in a letter and in a conversation, to move out of the apartment, but always with a negative result.

We therefore request the intervention of the Allied Command in order that the apartment be released by Capt. Babich, since he stated that it was to be put at the disposal of a Military Mission, and on the contrary, it has been used for private purposes. The tenant was absent from Rome, but now she is back and without lodging.

Moreover Capt. Babich left Rome two months ago and at present the flat is in custody of other persons unknown to Mrs. Marzotto.

MEMORANDUM

TO: Liaison Division, Allied Commission ✓

SUBJECT: Arrest of Yugoslav Officer.

The undersigned reported as Allied Commission staff duty officer at 1800 hours this date. I was then informed by Tec 4 Kovalecz, on duty in the office of the Assistant Adjutant, AICOM, that he had received a call from the Yugoslav Delegation to the AGI, stating that a Yugoslav officer was under arrest at Civitavecchia and desiring to arrange the officer's release. Tec 4 Kovalecz referred the caller to Capt Oddi of the Liaison Division.

At approximately 2000 hours, I received a call from the secretary of the Yugoslav delegation to the AGI, Veljacio (Phone 878090), who stated that he had tried unsuccessfully to contact Capt Oddi, and that he desired the assistance of the Allied Commission in obtaining the release of the following named persons:

Capt Juraj Suzjanic, identified as the deputy representative of Yugoslavia to the United Maritime Authority at Naples and assistant maritime attache of the Yugoslav delegation to the AGI

Stanko Bosic, a driver, identified as an employee of the Yugoslav consulate general at Naples.

Mr Veljacio stated that Capt Suzjanic was en route to Genoa to take over a ship there on behalf of the Yugoslav government. They were stated to be using a jeep which is the property of the Yugoslav government.

Mr Veljacio stated that the two were held for the lack of proper documents. He implied that the missing document was a trip ticket, although he did not say so. He asked that this headquarters obtain the release of the two men to the Yugoslav delegation.

I telephoned the American Military Police in Rome, was informed that the Civitavecchia force was under PBS command. The duty officer at PBS requested that I call Civitavecchia directly. I did so, spoke to the desk sergeant named Bickler. No officer was present, the lieutenant in charge of the station being absent at Florence. The unit was identified as the 101 MPs. Bickler explained that the two men had been arrested for unauthorized carrying of firearms. He said the captain carried a Beretta pistol and that the driver carried an American .38, and that neither had any permit for doing so. He stated that there had been also some question as to the military status of the captain, who stated (possibly through some language difficulty) that he had both military and civilian status. Sgt Bickler said, however, that the men were free to proceed, and had been so informed, but must leave their firearms at the Civitavecchia police station. This, he said, the captain refused to do. Only in this sense, he stated, were the Yugoslavs being held; they simply refused to leave without their firearms.

I then telephoned the number given me by Mr Veljacio, was unable to contact him, spoke to another secretary who did not give me his name. I explained the situation to that secretary, asked him to instruct his men to proceed either to Rome or to Genoa without their weapons with the understanding that the delegation would later and with proper authority pick up the weapons. He told me to tell the Civitavecchia police that the men should return to Rome; he avoided saying anything about the weapons. He thanked me for my interest in the matter.

1800 hours this date. I was then informed by Tec 4 Kovalecz, on duty in the office of the Assistant Adjutant, ALCOM, that he had received a call from the Yugoslav Delegation to the ASI, stating that a Yugoslav officer was under arrest at Civitavecchia and desiring to arrange the officer's release. Tec 4 Kovalecz referred the caller to Capt Oddi of the Liaison Division.

At approximately 2000 hours, I received a call from the secretary of the Yugoslav delegation to the ACI, Veljacio (Phone 878090), who stated that he had tried unsuccessfully to contact Capt Oddi, and that he desired the assistance of the Allied Commission in obtaining the release of the following named persons:

Capt Juraj Suzjanic, identified as the deputy representative of Yugoslavia to the United Maritime Authority at Naples and assistant maritime attache of the Yugoslav delegation to the ACI

Yugoslav consulate general at Naples.

Mr Veljacio stated that Capt Suzjanic was en route to Genoa to take over a ship there on behalf of the Yugoslav government. They were stated to be using a jeep which is the property of the Yugoslav government.

He told me to tell the Civitavecchia police that the men should return to Rome; he avoided saying anything about the weapons. He thanked me for my interest in the matter.

Then I telephoned Civitavecchia for the second time (the hour then being 2115) and told Sgt Bickley to instruct the two men, in the name of the Yugoslav delegation, to return to Rome. He stated once more that the men would not be permitted to carry the arms, but were free to go without the pistols. I told him I had attempted to impress that fact upon the Yugoslav delegation. He said he would deliver the message to the two men. He took my name and that of Mr Veljacio.

URGENT

JUGOSLAV DELEGATION
TO THE ADVISORY COUNCIL FOR ITALY

Rev. Mr. 223/46

SUBJECT:

Returning of merchant ships registered in the zone "B"
and belonging to the "Società Riunione di Navigazione".

The Yugoslav Representative to the Advisory Council for Italy presents his compliments to the Allied Supreme Commander and has the honour to state on behalf of the Yugoslav Government: With the note Nr. 1250 of 13 November 1943 it was requested from the Headquarters Allied Commission Navy Subcommission, that from the ships registered in the zone "B", those belonging to the "Società Riunione di Navigazione" at Rijeka, be handed over to the Yugoslav Government. The reasons for the request were pointed out in the same note as well as the conditions under which the ships would be used.

Up to day the Yugoslav Government has not received any reply from the Allied Authorities in Italy.

The handover of those ships is demanded and imposed by urgent needs of the population in the zone "B" to have reestablished the essential lines of navigation in order to enable a gradual bettering of the economic traffic and supplying.

The Yugoslav Government requests therefore an urgent handover of the following ships of the "Società Riunione di Navigazione" at Rijeka:

- 1) M/S LUZZARI MCCENNIO, Gross Tonnage 1403, actually in coastal trade between Civitavecchia and Orbia (Sardinia) once fortnightly.
- 2) S/S LUSSINO, Gross Tonnage 221, actually minesweeper at Bari.
- 3) S/S SAN VITO, Gross Tonnage 172, pilot ship at Taranto.
- 4) S/S Pola, Gross Tonnage 254, time chartered to Palestine at Haifa.
- 5) S/S FRANCESCO RISMONDO, Gross Tonnage 220, pilot ship at Augusta.
- 6) S/S LAURANA, Gross Tonnage 230, in service between Malta and Sicily.
- 7) S/S SPALIERA, Gross Tonnage 1452, delivered by Allied Authorities to the Greek Government, actually named PIREUS.

All the a/m ships have been requisitioned by Allied military authorities according to the supplementary conditions of the Armistice with Italy.

All the ships were used for coasting service exclusively in Northern Adriatic - zone "A". The Societa was registered at Rijeka (zone "A") and the crew of all the a/m ships were mostly from Rijeka too.

The ships were used for regular coasting lines, and those in no hindrance to their being used under the Italian flag.
