This office has been requested by the French Representative to the Allied Commission to obtain the following facilities:

a) May the enclosed card on the name of Mr. Glach be changed to the name of Capitaine de Corvette Hertz.

b) May P.X. cards be issued to the following:

1. Quartermaster Marcel Bonre - Quartermaster of the Staff of the French Representative.
2. Maître Marcel LE GALL - chief of transport -
3. Adjutant Pierre L'HOMME - "Air" Secretary
4. Quartermaster Andre JABIN - Secretary -
5. Quartermaster mechanic Marcel RICHES
6. Pierre PRADIER - Secretary -
7. René MIL-SIEUX - Driver -

These applications are strongly recommended as the a/w personnel come under orders of the Allied Commission and should be considered under the same ruling as those members of the Russian Representative to the AC already enjoying these facilities.

This office would appreciate an early and favorable decision, in any case for some if not for all of these applications.

However, this group has drawn P.X. rations since 1943, first at Algiers, and later at Naples, and here at Rome. AFHQ cable 60560 of 4 March 1944 has been quoted erroneously as proper authority in letters indenting for P.X. rations for this group. Nevertheless, it is believed that written authority exists since the request was personally made by Admiral Stone when this group joined HQ AC.

13,000 lire Surplus NAAFI & PX cash

In October 1945 the sum of 13,000 lire was paid into AC HQ Commandant account by Capt Montant. He stated that it was an amount he had held in his safe for some time and as he was going back to America he wished to dispose of it. To the best of his knowledge it was surplus cash from the NAAFI and the PX stores.

This sum is obviously not official AC Funds and AFA state that it should be withdrawn from the account. Since both NAAFI & PX in this building were entirely for officers it is proposed to pay this sum to American and British Officers' Messes in equal proportions, subject to your approval.
