An interesting Road Map of Italy has recently come to the notice of A.C. and has had a good reception in certain Sub-Commissions. The map is on the lines of the L.A. or Michelin handbooks and covers mostly Main roads and Junctions.

The roads are traced showing clearly the elevation of contours etc., and all large towns, besides several minor ones, on routes are separately mapped in colour.

All enquiries should be addressed to Major CALABRINI, Land Forces Sub-Commission, GS I.L.O., 7th Floor, Roma, Room 52, tel. ext. 389 (M.M.I.A.).

Delivery and Collection of Mail etc.

1. Owing to reductions in staff, Message Centre will be unable to make deliveries and collections of correspondence at the times now in force. Accordingly w.e.f. Monday 22nd July 1946, deliveries and collections will be made at the following times.

Mon. Tues.	}	0900 hrs - 11.30 hrs.
Thurs. Fri.		11.45 hrs - 1.15 hrs.
Wed. Sat.		0900 hrs - 11.45 hrs.
Sunday.		No delivery.

Correspondence of an urgent nature will be dealt with immediately, as previously.

2. It is the practice of some offices to hold cables until 1800 hrs before delivering them to the Message Centre for dispatch.

This causes delay in transmission and necessitates the Message Centre working after normal office hours.

In future, cables will be delivered to the Message Centre for onward transmission as and when they are completed, and only in exceptional cases should it be necessary to send a cable after 1730 hrs.

~~Cablegrams are asked to be sent to the Message Centre as early as possible by rendering cables not later than 1730 hrs each night.~~

"MESSAGE WRITING."

The following is an extract from a memorandum dated 3 Dec 45 received from GHQ GMP, subject 'Message Writing':

"The standard of message writing by British originators has deteriorated considerably during the last few months. The main faults are verbosity, unjustifiably high priorities and incorrect security classification. The over-all result of the above practices is to reduce the efficiency of the service for all users, including those who originate messages in the correct manner.

With a view to effecting an improvement, GHQ GMP is being instructed to provide scrutineers who will examine messages originated in GHQ GMP or the British elements of integrated sections of AFHQ and also those originated in other HQs and passed to GHQ GMP for retransmission. All such messages which are challenged by the scrutineers will be recorded and bad cases will be referred to heads of departments for necessary action. In the case of incoming messages a report on messages which merit comment will be forwarded periodically through Signals channels to the originating HQ. The scrutineers will be given strict instructions on no account to delay the transmission of important messages."

Please have the following inserted in the Daily Bulletin:

REDUCTION IN SIGNAL TRAFFIC

1. The Executive Commissioner directs that the attention of all officers be brought to this Bulletin.
2. A shortage of signal operators is probable in the very near future and it is therefore essential that the number of signal messages originated by this Headquarters be reduced to the absolute minimum.
3. For the information of all concerned the Headquarters below are served daily by the AD courier service stated:

AFHQ	-	Motor Courier
AMG Piemonte Region	-	Air Courier
AMG Lombardia Region	-	Air Courier
AMG Venetia Region	-	Air Courier
AMG Naples Command	-	Motor Courier
ALCOM LO Bologna	-	Air Courier

To the above Headquarters therefore only Priority traffic will be sent by electrical transmission.

4. As a general rule only messages on which there is a degree of urgency will be given electrical transmission and all officers are directed before signing messages to determine whether this means of transmission is necessary.

From General Alexander to Commodore Stone.

The message which I send you in this telegram must of necessity be a short one but I need not say more than to tell you how appreciative the Allies are of your continued support. Without the efforts of the ALLIED COMMISSION they could not have come so far, and in full confidence that the same happy association will be continued into the future, they send you their greetings on this your anniversary.
