Ammiraglio Stone

Roma

Assai meno ha frenato la mia mano quando nei luoghi miei prigionieri alleati veniva trasportati in casa mia per essere inviati in Svizzera o altrove o in luoghi sicuri, e nelle diverse perquisizioni della mia casa e nei diversi miei arresti e nel momento in cui una pallottola delle Brigate Nere di Fido (Venetia) mi perforava il labbro superiore per essere stato arrestato un prigioniero alleato e nei momenti di fuga provocati anche da rastrellamenti compiuti per prendermi, assai meno, dico, ha frenato la mia mano. Per in questo momento in cui scrivo a Lei, o Ammiraglio.

Lo fui oltreché indefesso partigiano, capo di una Società, che ha protetto più di qualche centinaio di prigionieri alleati.

Lo che fui arrestato prima del 25 Luglio 1943, cioè prima della resa d'Italia, per la mia propaganda a favore della Causa Alleata e comune, dopo quell'epoca non ebbi un momento di sosta, né un minuto di pace.

Resse i periodi di carcere, io lavorai continuamente e la morte mi sorprese istante per istante.

Amiraglio Stone

Roma

Spai meno ha tenuto la mia mano
quando nei luoghi miei prigionieri alleati veniva
trasportati in casa mia per essere inviati in Torino
o altrove o in luoghi sicuri, e nelle diverse perquisi-
zioni della mia casa e nei diversi miei arresti e
nel momento in cui una pallottola delle Brigate Nere
di Dolo (Venetia) mi perforava il collo superiore per es-
sere stato arrestato un prigioniero alleato e un momento
di fuga provocati anche da rastrellamenti compiuti per
prendermi, arrai meno, dico, ha tenuto la mia mano
e in questo momento in cui scrivo a Lei, o ammirag-
lio.

Lo fui oltreché indefesso partigiano, capo di una
"società", che ha protetto più di qualche centinaio di
prigionieri alleati. 2645

Lo che fui arrestato prima del 25 luglio 1943,
cioè prima della resa di'Italia, per la mia propagan-
da a favore della Causa Alleata e comune, dopo quel-
l'epoca non ebbi un momento di sosta, né un
momento di pace.

Recetto i periodi di carcere, io lavorai continua-
mente e la morte mi seguiva istante per istante.

È pensare che avevo allora tre bambini, una moglie
orfana dell'altra guerra mondiale nonché gravida e
le mie condizioni economiche, data la mia indole
antifascista, non certo floride.

Sicché se la pallottola quella volta non fosse stata con
benigna, quale sorte sarebbe stata riservata per una
moglie e i miei figli, se essendo io vivo, non mi fu
ancora rimborsato nulla, dopo tanto tempo, di tutto
quello che mi fu tolto il 5 gennaio 1945, quando le
brigate nere di solo per aver arrestato un povero
alleato, come dissi sopra, mi vennero ad arrestarmi, se-
rendomi e togliendomi tutto quel po' di bene, che
avevo in casa, lasciandomi nella più squallida mi-
seria.

Con uno stratagemma quella volta potrei scappare
e scappai da sicura morte, poiché anche una
forte saglia fu posta sul mio capo e due vascella-
menti furono compiuti per catturarmi, una quando in-
nomai a casa il 29 aprile 1945, giorno in cui arrivai
no gli alleati al mio paese, trovai con me, una mo-
glie non certo in florida salute, poiché il cuore e il
sistema nervoso dopo tanto spavento e sofferenza
non poteva certamente essere in condizioni buone,
trovai ripeto, anche una somma di debiti non indi-
ferente anzi colossale e la casa prima di tutto, per-
fino delle coperte e delle lenzuola.

Per causa dei prigionieri alleati fui infatti ar-
restato due volte e tre per causa di guerra.

Perciò, lei, o ammiraglio, che dal 6 gennaio al 29
aprile 1945, era in carcere, e che il 17 e 18 aprile 1945

le mie condizioni economiche, data la mia indole
autofascista, non certo florida.

Sicché se la pallottola quella volta non fosse stata con
benzina, quale sorte sarebbe stata riservata per una
moglie e i miei figli, se essendo io vivo, con un ga
ancora incombente nulla, dopo tanti tempi, di tutto
quello che mi fu tolto il 6 gennaio 1945, quando le
brigate nere di solo per aver arrestato un prigioniero
alleato, come ora sopra, mi vennero ad arrestare, fe
rendomi a togliermi tutto quel po' di bene, che
avevo in casa, lasciandomi nella più squallida mi
seria.

Con uno stratagemma quella volta potei scappare
e scappai da sicura morte, poiché anche una
forte taglia fu posta sul mio capo e due rastella
menti furono compiuti per catturarmi, una quando vi
tornai a casa il 29 aprile 1945, giorno in cui arrivai
no gli Alleati al mio paese, trovai con me, un uo
gli non certo in florida salute, poiché il cuore e il
sistema nervoso dopo tanti spavent e sofferenze
non poteva certamente essere in condizioni buone,
trovai, ripeto, anche una somma di debiti non invol
pronte anche colossale e la casa piena di tutto, per
fino delle coperte e delle lenzuola.

Per causa dei prigionieri alleati fui infatti arres
tato due volte e tre per causa di guerra.

Persi, lei, o ammiraglio, che dal 6 gennaio al 29
Aprile occorrevo solamente per due più di 10 mila

line al mese.

Coloro che me li hanno impostati, oggi cominciano a ridurli.

~~Forse~~ Allied Screening Commission finora mi ha concesso £ 54000, qualcosa che io opto per comprare due biciclette.

Ma io all' Allied Screening Commission non domando nemmeno questo, ma più volte ho chiesto che mi facessero avere il denaro della roba perduta tramite Ministero delle Finanze.

Non ottenermi finora niente e dover aspettare molto per avere pochissimo.

Eppure quante cose non arrivarono dall' U. N. R. R. A. e per tanti forse che prima hanno lottato contro le forze Alleate o erano a loro avversari? Chi invece ha dato, nulla ha ricevuto.

Con documenti inglesi ho battuto anche le porte dell' U. N. R. R. A., ma mi fu risposto che non c'era 2648 nulla da fare o peggio.

Quella volta mi fu portata via una nota. A Carasaa (Udine) e altrove ci sono enormi cataste di uoti, autouni di alleate e in ottimi stati. Ma chi le vuole? Coloro i quali hanno trafficato con i fascisti e fascisti ed ora hanno i mezzi di trafficare anche con quelle alleate.

Questa è la cruda realtà.

Io ho avuto una cinquecento famiglia che mi ha uscitato nel proteggere i prigionieri alleati e perché gli Alleati vincitori non hanno imposto ai governi vinti, ecc. di soddisfazione hanno quelli che li hanno

785017

chiccolini.

~~For~~ Allied Screening Commission finora mi ha con-
seguito £ 54000, concluda che io opto per comperare
due brecciate.

Ma io all' Allied Screening Commission non osten-
dano nemmeno questo, ma più volte ho chiesto che mi
faccessero avere il denaro della roba perduta tramite
Ministero delle finanze.

Non ottenni finora niente e dove aspettare molto
per avere pochissimo.

Eppure quante cose non arrivarono dall' U. S. R. R. A.
e per tanti forse che prima hanno lottato contro le forze
Alleate o erano a loro avversari? Chi invece ha dato, nulla
ha ricevuto.

Con documenti inglesi ho lottato anche le porte del
l' U. S. R. R. A., ma mi fu risposto che non c'era 2648
nulla da fare o peggio.

Quella volta mi fu portata via una nota.
Caransa (Moline) e altrove ci sono enormi estati
di uoto, autunno di alleate e in ottimo stato. Ma
chi le vuole? Coloro i quali hanno trafficato con i fe-
deschi e fascisti ed ora hanno i numeri di trafficare
anche con quelle alleate.

Questa è la cruda realtà.

Io ho avuto una cinquantina famiglie che mi han-
no aiutato nel proteggere i profughi alleati e perché
gli Alleati vincitori non hanno imposto ai Croci
vinti ecc. di soddisfare prima quelli che li hanno

eroicamente costanti?

Mi perdoni, ma credo che non sono le uniche sofferenze che scrivono, per quelle di mia moglie, dei miei piccoli figli e di altri a me non congiunti, e un'adolorata esultanza, il prevedere che se un'altra volta soldati alleati avessero bisogno di aiuto non trovano nessuno che collabori, né la mia coscienza di morto e di padre me lo perdonerebbe.

Certo gli Alleati comprenderebbero meglio se fossero stati presentati a certe scene dei loro prigionieri. Una volta, per esempio, in un momento entusiasmato mi furono portati quattro prigionieri.

In quel momento non avevo possibilità, assolutamente non potevo alloggiarli.

Ubbene uno di quei quattro, a cui io avevo consigliato di presentarsi, si inginocchiò e mi domandò un'arma, poiché piuttosto che presentarsi, preferiva morire. Così i quattro padri, quattro maschi, fratelli, sorelle, figli godono il frutto della vittoria perché tutti italiani hanno messo a repentaglio la propria vita, anzi qualcuno l'ha perduta per salvare la vita dei prigionieri alleati? Sono stati proposti ad una grande conferenza inglese una guerra, una disperata, sarà consegnata quando l'Italia avrà firmato la pace. E perché ciò? Chi centra la pace con i nostri morti, qualora siano stati riconosciuti? La guerra sostenuta da noi non fu solamente guerra di prima linea, ma anche di nervi, di insorgenze per i vivi e preoccupazioni, mentre proprio coloro che hanno protetto i prigionieri alleati, erano quelli che potevano vivere beatamente poiché combattevano in prima linea.

785017

che sciamos, per quella di una moglie, dei miei piccoli figli e di altri a me non congiunti, e un'adultera di rentiere, il prevedere che se un'altra volta soldati alleati avessero bisogno di aiuto non trovano nessuno che collabori, né la mia coscienza di marito e di padre me lo perdonerebbe.

Sono stato proposto ad una grande conferenza inglese una questione, mi dispiace, sarà consegnata quando l'Italia avrà firmato la pace. E perché ciò? Che centra la pace con i nostri meriti, qualora siano stati riconosciuti?

La guerra sostenuta da noi non fu solamente guerra di prima linea, ma anche di nervi, di insostenibili penzolenze e preoccupazioni, mentre proprio coloro che hanno protetto i prigionieri alleati, erano quelli che potevano vivere beatamente, poiché certamente in casa sospetta

non si potranno tenere prigionieri.
E noi dell' Alta Italia abbiamo avuto un periodo molto
più lungo delle altre zone, poiché la nostra Liberazione
venne oltre molto tempo.

Io mi batterò a Roma ancora al massimo e cercherò
ben letto di poterla parlare personalmente. Ciò può
avere esiti di giovamento anche agli Alleati.

Dear Sirs:

The Secretariat of State of His Holiness, at the request of His Eminence Cardinal Tedeschini, has been asked to seek information regarding the whereabouts of S. tenente Gino Mario Marchetti, son of Enrico and Angiolina Di Carlo, born in Pianella, March 4, 1922.

Gino Mario Marchetti was an aviator and was sent to Poggia in the summer of 1943 to serve in the Air Force Recruiting Office. There was no news of him since September 1943, except for a note brought by a truck driver during June 1944, in which he informed his family to expect him any day. The driver said that Gino worked on an airfield with the Americans in a small town near Naples, but that he could not remember its name. Since then there has been no word of him.

The family will be very grateful for any news of his whereabouts that may be given them.

Thanking you for the consideration you may deem to give this request, I am

ADMIRAL STONE

R O M A
 JUL 3 - 1946

You must excuse me for my boldness in writing to you, but I am a mother and I am sure you will forgive me as everybody says you are such a kindhearted gentleman.

My son:

Sottotenente Franco Boggio-Lera
 45 Compagnia Battaglione "Morbegno"

has been lost during a fight in Russia.

His last letter to us was dated on 7th January 1943. A soldier who has come back in April 1943 has declared that he had seen my son on the 22nd of January near Shebekino Varvacof. Then the rest is silence. Can you imagine what I feel? How dreadful it is for me to know nothing about my boy!

It is on account of your goodness and charity to everybody that I apply to you, hoping you could give me some news of my boy. I am sure you will do your best to help me.

May God bless you always.

Thanking you in advance

yours truly

This commission has received an enquiry from Sig.ra Anna GROCATA residing in Via D'Agostino, 19 San Cipirello (Palermo), regarding the a/w soldier.

The following information has been received from the competent authorities in Rhodes:

"From enquiries made through the President of the Italian Committee the only information available is as follows.

The above named was embarked on the 11th February 1944 by the Germans as a P.O.W. on a ship that was wrecked off the Greek coast. As far as is known only 30 of a total of 4,200 were saved, there being no record of the survivors available.

It is regretted that this scanty information only is available, and it can be presumed that this soldier was amongst those "alleged believed drowned".

Will you please inform Sig.ra Grocata in any manner that you consider suitable.

2. It is requested that the records of the Italian Army hospitals or the medical records of your Headquarters be checked for information as to whether Partisan BARTOLI Dante fu Luigi was ever evacuated to one of your hospitals. If it is found that he was at one time in an Italian Army hospital please let us have all available information in order that we may properly answer the inquiry.
3. The information contained in the original communication is not exactly correct in that the "88th Infantry Regiment" was never in this theatre although the American 5th Army was and the 88th Division still is.
4. It was the policy of all American hospitals in 5th Army Area to receive all partisan casualties and then when they were able to be moved to evacuate them to an Italian Army hospital; that is the reason we suggest the information requested may be available from your files.
