Reference paragraph 3 of folio 386.

The writer states at folio 379 that he was neither a soldier of the Italian Army, nor a partisan of an operating unit, but he was employed by the American Forces in Italy.

He further states that he suffered great injuries during his employment and in the performance of his duties. It would appear therefore that this case should be dealt with in accordance with MATUSA circulars Nos. 74 and 126.

In my opinion the office best qualified to give you more information on this case is G-1 American, Civilian Personnel.

Repatriation

I am directed to refer to your communications REF 998/375/EC of the 26 July 1946 and REF 998/432/EC of the 24 September 1946.

2. I am to state that very careful consideration has been given to the subject of the Ministero Degli Affari Esteri letter Sez. Pol. NI 949 of the 23 July 1946, but it is regretted that permission for the repatriation to the Dodecanese of the 45 Italian subjects referred to must be refused in their own interests.

3. Since the Ministero Degli Affari letter was forwarded, the final policy regarding these islands has been decided, and it is on this basis that our decision has been concluded.

4. If however the Italian Government still wish to pursue this subject of repatriation, the following in the form of an application should be forwarded in respect of each person, and these must be on strongest humanitarian grounds for example, the return to the breadwinner of dependant children if the breadwinner here is able to support them and life at a reasonable standard:-

- (a) The official support of the Allied Command in Rome.
- (b) Age.
- (c) Sex.
- (d) Nationality (in the case of married women before marriage and after).
- (e) In the case of children the present address of parents and nationality of parents (these may have been Dodecanesian but took full Italian Citizenship, this should be stated).
- (f) If repatriated
 - (1) With whom will they reside
 - (2) Their financial status.

5. Consideration will only be given to persons who, or on behalf of whom an application is forwarded with these details in full, but this must not be concluded as a guarantee of repatriation.

Main 13 Corps (for C Int)

Dr Simonetti - Italian Liaison Group with HQ 13 Corps, office at 3 Via LOMBARIA - UDINE has asked me if it would be possible to hand an envelope to the officer i/c Train, from ROMA to VIENNA, in UDINE. This envelope will be for the Italian Political Representatives in VIENNA or KLACANFURT. The envelope will contain only normal Consular Correspondence on Administrative matters, and, if required, can be handed to the Officer i/c Train open for inspection.

The important thing is that there should be a regular weekly or bi-weekly method of communication in both directions.

He would be most grateful if this matter could be arranged and authority given by your HQ.

Please forgive me for addressing the enclosed to you, but I do not know to whom it should be addressed.

The case seems a very hard one as the man concerned is a decent type, anxious to work, and stuck in poverty through the loss of his truck.

In addition, my friend the Archbishop is taking considerable interest in the matter.

I should be very grateful if you would pass it to the proper authorities.

The closing down procedure is proceeding smoothly, but slowly!

At the request of the Under-Secretary of State for Foreign Affairs, Dr. R. Prunas, I am sending a letter addressed to you from him with 3 copies of the book "L'Italia a Rodi".

In the present circumstances the presentation is a little pathetic.

The other day I passed on a request from the Order of the Knights of Malta for a certain Comte Simone to visit you on their behalf. I was glad to receive an affirmative reply. When Simone arrives which I think will be some time in the late autumn, I commend him to your kindness. He is a very charming Frenchman and I think you will find him most interesting.

TRANSLATION

Rome, 28 July 1946.

Admiral Ellery W. Stone
Chief Commissioner
Allied Commission
Rome.

See 390

Dear Admiral,

In June 1946 I received from Mr Lucchese, interpreter of 55 Rest Camp on the Lido of Venice, various, very insistent telephone calls threatening me even with requisition if I did not cede them a lot of ab. 5,000 square meters, situated in via P. Nervesa just behind the Hotel Excelsior, so that they could organize there a large park (roundabouts, target-shooting etc.) for transient Americans and British soldiers during the summer season.

I went personally to the Lido with my lawyer in order to see the Captain in charge of 55 Rest Camp who assured me that he would comply with my wishes as much as possible.

As a courtesy to the Allies I let them use the ground freely, asking in return:

- 1) that the lot be vacated from people and things on 1 October 1946, i.e. after the bathing season;
- 2) that it might be levelled: this obviously had to be done in order to instal roundabouts etc.
- 3) that a sign be put up saying that it was for sale.
- 4) that a small bunker built on a side of the lot be demolished.

A few days later I received from the Town Major of Venice a letter saying that the Allies were not responsible and could not assume damages, expenses and other charges which might arise from the occupation of said ground. I was also informed that while they agreed upon the first three requests, the bunker would be demolished if possible.

3018

In reality I soon learned that the ground was ~~managed~~ ^{managed} by CIVILIANS for CIVILIANS and that therefore the requisition threats had no reason at all, and that a net or barbed wire had been put around the bunker.

I appealed to the Town Major personally and through the interpreter Mr Trivelli I pointed out that my purpose had been completely missed and that at least they should destroy the little bunker as a compensation.

The Town Major promised to me to discuss the matter with the Captain. In the meanwhile the interpreter, Mr Trivelli assured me that the letter I had received was mistaken and that in a few days I was going to receive another. I did in fact, but while the new letter cancelled the previous one, it copied the same exactly. Of course, I did not reply feeling that I was being ridiculed.

FORTE DEI MARMI (Lucca)

July, 22; 1946

To Admiral Hilary STONE
Chief of the Allied Commission
ROME

SUBJECT : Claim of reparation for wounds suffered in combat with
the U.S. Army.

Sir,

I am an Italian citizen, Galloni Luigi, from Forte
dei Marmi (Lucca), born Sept. 1, 1893.

During the war I have served continuously from
Oct. 4, 1944 to April, 7, 1945 with the following units of the U.S.
Army : 1st and 2nd Bn 570th Inf. Regt., 3rd Bn 371st Inf. Regt., a
Bn of the 442nd Inf. Regt. (Nisei) all of the 92nd Division.

During all this period I was employed as an in-
terpreter guide, as leading man for convoys taking food and am-
munition to advanced post troops in the mountains, and obtaining
military informations on enemy positions.

On April 7, 1945, while with an American major of
the Engineers, I was searching a trail to send up ammunition to
advancing patrols, I was badly wounded by a shell burst, being
shot through stomach and intestines.

I was taken to an American Field Hospital in
Viareggio, operated on and given temporary relief. After a month
in the American Field Hospital I was removed to another hospital
at Forte dei Marmi and after four months treatment I was at home,
but as a result of my wounds and the operation I have permanent
abdominal lesions, a partially destroyed muscular condition and a
constriction over my kidneys, all of which are permanent and make
me unable to do any permanent labor or work that strains the
back or abdomen.

Of all what I said I have certified documents, that
I may submit if required, and of which I enclose a copy.

On account of my position the day I was wounded,
I can not obtain allowances from the Italian Government, for I
was neither a soldier of the Italian Army nor a partisan of an
operating Unit, but attached to operating unit of the American
Army, as described. Having had my house, that I had built with all
my savings, destroyed by the war, and not been able owing to my
age and to the wound to earn enough to live,

I ask to you as representative of the U.S. Govt.
to consider financial help as a reparation for the damages suf-
fered by my body in the service of the U.S. Army.

3014

407-380

- 2 -

I hope that you will consider that I have been wounded after six months of continuous and valuable service for the U.S. Army, during which period I have always risked my life and with my activity in knowledge of the country and my locating enemy positions I have saved the life of many American soldiers, and I am sure that the U.S. Government considers the life of his soldiers very precious.

Subject : Services of Galleni Luigi (Italian Civilian)

TO : Whom it may concern.

1. This is written to give assistance to Galleni Luigi, an Italian civilian, in his efforts to receive any benefits that the proper authorities may decide are suitable in such cases.

2. Galleni Luigi served from early (4 Oct. 1944) October 1944 continuously until wounded on the 7th April 1945. He served with the 2nd Bn, 370 Infantry Regt, 1st Bn, 370 Inf., 1st Bn, 371 Inf. Regt., and finally with a Battalion of the 442 Inf. Regt.

3. During this period he served principally as the organizer and leader of civilians who carried ammunition and rations to the forward infantry positions in mountainous terrain. In addition he also served as interpreter since he speaks English and finally with the arrival of mule trains he served as a guide. He was reimbursed for these services solely through a daily issue of U.S. Army "C" rations. On the 7th April 1945 while in the company of a Major of the 317th Engr Bn, whose name he does not recall, he was seriously wounded in the stomach. This injury was sustained while he was searching for a pack mule train route in the position of Cavala St. George, north of Vallecchia, Italy. He was evacuated and treated in an American Field Hospital.

4. During his services specifically with my battalion from 1 November 1944 to 12 January 1945 I always found Galleni to be honest, dependable and completely in sympathy with the Allies.

MINISTERO DELLA SANITA' INTERNA
Il Segretario Generale

Rome, 23 July 1946

Gen. Pol. Mi 949

Dear Brigadier,

This Ministry has been informed by the UNRRA Mission in Italy that 45 Italian subjects, of whom I enclose a list, who were living on the Aegean Islands, are still kept in the camp at EL SHATT because the British Military Authorities have refused them permission to return to the Dodecanese.

UNRRA itself has pointed out that most of them have no means of earning their living in Italy and that with the exception of four persons who wish to go to Turkey, their interests all lie in the Dodecanese.

While this Ministry approaches the Turkish Government with a view to obtaining its permission for these four Italian subjects to fix their home in Turkey, in accordance with their own wishes, I take advantage of your kindness to ask if by re-examining the situation in the light of recent events in the local political situation, you may not find that the reasons no longer exist which impelled the British Military Authorities to prevent the return to the Dodecanese of these people in whom, also from a humanitarian point of view, we feel bound to take an interest, and that you might find it possible therefore to alter your policy in this matter.

Thanking you in anticipation for your reply,

I remain yours sincerely,

OCCORRENZA: STALANO Maria di Raffaele. Reclamo contro RAHINDER NATH
WARRA.

La accusazionale Maria Stalano, di Raffaele e di Gilda Formisano,
nata a Resina (Napoli) il 12 settembre 1928, ed ivi domiciliata al
Corso Broletto, 9, ha indirizzato, anche al Governo Italiano una istan-
za 24 giugno c.a. che per maggiore intelligenza si trasmette in copia,
con la quale, pervenuta la storia delle sue vicende sentimentali con
un soldato delle truppe indiane, tale Rahinder Nath Warran, che l'ha
resa madre di un bimbo, e poi abbandonata, chiede l'intervento del
Governo italiano e delle autorità militari alleate affinché queste
ultime intervengano presso il predetto soldato Rahinder Nath Warran
per ottenere che questi si interessi, sia di essa istante, che del
figliuolotto Rahinder Nath.

Stante ciò, ed in vista del caso che si ritiene meritevole di
considerazione, si prega vivamente la S.V. perché, nel trasmettere
alle competenti autorità alleate la qui inclusa copia in lingua in-
glese dell'esposto di cui sopra, per l'incoltro ai Superiori diretti
dell'anzidetto militare indiano, si voglia compiacere di interporre
i suoi buoni uffici al fine che il caso della Stalano sia benevol-
mente considerato.

Si sarà, poi, grati di cortesi comunicazioni circa il corso
che le autorità alleate riterranno di dare alla pratica che ne oc-
cupa.

Io sottoscritta Maria Stefano, di Raffaele e di Gilda Formisano,
nata a Rosina il 12 settembre 1928 e qui residente al Corso Broletto
n. 9, desidero far presente quanto segue:

Quando gli Alleati sbarcarono qui, feci conoscenza con un sol-
dato del 2 Scaglione (Campo Indiano) a nome RAHINDAR NATH WARMA. Egli
fu ricevuto in casa mia dai miei parenti e presto familiarizzò con noi
tutti. Naturalmente, la nostra amicizia si tramutò in amore ed egli in
verità mi rimase fedele durante la sua permanenza qui e dimostrò tutti
i segni di un vero amore. Dato che allora io non avevo alcuna esperienza,
avendo solo 16 anni di età, mi detti a lui con tutta la fiducia dei
giovani, e da tale amore detti alla luce un bambino il 29 aprile 1945,
il quale fu debitamente denunciato all'Ufficio di Stato Civile del
Comune di Rosina col nome di Rahindar Nath. Sentii di essere pienamen-
te felice dato che mi alcuna cosa aveva oscurato la certezza del no-
stro amore e la fiducia che avevo in lui.

Quando ripetutamente gli chiesi di iniziare le pratiche per il
matrimonio, sempre si schermì adducendo che egli doveva prima tornare
a casa e che poi sarebbe tornato per il bambino e per me. Dato che ho
avuto informazioni in merito presso il suo Comando in Portici, dalle
quali mi risulta che molti hanno iniziato le pratiche per contrarre
matrimonio mentre egli, quando richiesto si è sempre rifiutato, ho
bueno ragione per sospettare la sincerità dei suoi propositi. Desidero
dire nuovamente che io ero una ragazza senza alcuna esperienza e che
lo amai così profondamente da credere a tutte le sue promesse e, per
cui mi convinse che doveva prima tornare a casa e poi sarebbe ritor-
nato per sposarmi. Ora egli ha lasciato questo paese e, dopo avermi
scritto due o tre volte, ha cessato completamente di darmi notizie
ed io non so che pensare di tutto ciò. Mi è stato ora detto dal Coman-
do Indiano ancora in Portici che egli non sarà in grado di ritornare

mai più, e per lo meno per un gran periodo di tempo. Sono disperatissima perché non so che fare con un bambino e scarsiissimi mezzi, anzi nessuno, per tirarlo su. Egli è figlio di Rabindar, oltre che mio, e dovrebbe sentire che è suo dovere di non abbandonare il proprio figlio. Sono proprio disperata, e se nessuno mi aiuterà non so che ne avverrà di noi due.

Faccio appello a voi nella speranza che prenderete in considerazione il mio malto disperato caso e che mi aiuterete facendo sì che Rabindar torni al suo bambino ed a me. Noi non possiamo assolutamente vivere senza di lui, e se egli non torna che avverrà di noi? Una volta era facile per i miei parenti mantenere la famiglia, ma dopo tutte le difficoltà create dalla guerra il bambino ed io rappresentiamo un grave fardello per essi.

Io perciò supplico chiunque a venire in mio aiuto. Il mio figliuolotto è di sangue indiano, per cui credo che il suo benessere dovrebbe interessare qualcuno in India.

Dal momento in cui spedirò questa lettera rimarrò in ansiosa attesa di una risposta, sperando che la mia istanza venga seriamente e favorevolmente presa in considerazione.

Rispettosamente vostra

ROME, VIA ARNO 51

Rome, the 11th June 1945.

Rear Admiral E.W. STONE,
Rome.

Dear Sir,

I beg to inform you that my humble self as Commander of the Yugoslav Royal Navy bound by the discipline according to my military education restrained for a long time from addressing my request directly to Your Excellency. But after having requested the cognisant Allied Commands and undertook all possible ways according to the competent regulations to get back my own property taken off by the officials at the time I was being arrested and waiting for months without any answer, the very plight of a needy and stony broke man I got in without my fault compelled me to address my request and complaint to Your Excellency asking not for charities but for justice and equity.

On 29th October 1944. I was, on behalf of my Command as Chief of Staff of the Royal Serbian Chetnik Forces of Montenegro and Bocca di Cattaro, as member of the Committee, sent to the Supreme Allied Command in Italy with informations about the tragical situation the Serbian nation and the King's adherents got in on account of abondently supplying the Tito's Communist Army. Arriving at Viesti the same day I was arrested, transported to Bari-Carbonari and on 31th October deprived of my own belongings. The American Lieutenant-Aviator Adalbert Peterson and a group of other American aviators, having been my guests for more than five months and sheltered at the villages with the most trustworthy landlords under my command, came with me. We thought as our duty as allies to rescue, save and shelter with brotherly hospitality each Allied Aviator and were sure that once escaped both, the German and Communist bands, on the side of our Allies we were being regarded in the same brotherly and friendly way, but to our surprise it was the jail with torture and famine. Instead of getting at least promises for help to my, during the long and hard fight, exhausted people at home or personal help, I was deprived of my own property -- money and personal belongings.

Herein enclosed is the report of money and personal belongings I was deprived of by the British Major Rice and Capt. Dykes' subalterns. One copy of this report was sent on 25th September 1945. to G.2.A.F.H.QU. and on 3. oct. 1945. I was myself at the H.QU. at Caserta and the American Lt. Col. Nick Stepanovich for intervention. Colonel spoke, in the presence of mine, with British Major Michael Hrottrion, G.2.A.F.H.QU. and I was promised to get back all my belongings in the shortest time to come, and was sent to the British Capt. Dear Admiral,

With reference to the letter addressed to you by Judge Juvenal Marchisio on my behalf, I take the liberty to ask you kindly to transmit to the "Imperial War Commission", 46, via Botteghe Oscure, Rome the name of the Building Firm "Notarantonio Ernesto" of Isola Liri (Frosinone) of which I am a member. This to the purpose of obtaining, upon private negotiations, the assignment of some work for the construction of Allied military cemeteries in the zone of Cassino, Pontecorvo, Valle del Liri etc. You certainly remember the services I rendered to the Allied Commission which appointed me as Commissar for the Valley of the Liri and Mayor of Pontecorvo. I have now abandoned the politics and am doing some reconstruction work in the zone.

I am sure that, as always, you will kindly grant me the requested favor and with this certainty, I remain

1. My attention has been drawn by Naples Area to your 998/EC of 3rd June 1946 addressed to 3 District a copy of which is attached for reference. This letter quotes some communication from the Italian Government in connection with an order by Brig. Cripps transferring the Town Major of Salerno, and then, on behalf of the Executive Commissioner, says that : "it is considered that the good report of the work of Major Rumbold should be forwarded".
2. Salerno is in this Liaison area I have to visit it and the Prefect fairly frequently. I know Maj. Rumbold and it is my duty to keep in touch with Naples Area. I was informed of the reasons for this proposed transfer, which the Prefect had mentioned to me, and expressed myself as being in agreement with Naples Area and their policy.
3. As a result the AC letter has been a surprise and I could only say I knew nothing about it and had never heard of Capt. Kingsley. (I was asked if he was one of my officers!).
4. It puts me in a very difficult position if letters of this sort are sent from AC HQ. to District and I am not ~~informed~~ kept informed. May I, please, be informed of the reason for the want of confidence in this office, as Naples Area have very properly asked for my comments.

Dear Sirs:

In answer to your communication of 18 April 1946 (ref. 998/EC) the Secretariat of State of His Holiness has obtained the following information from Rusticelli Dante, Via Roma, 37, S. Giovanni Persiceto, who has asked for the return of L. 1850 that was taken from him by the Allied Authorities when he was interned.

1. The Allies who took the money from him were Americans (probably the 5th Army) who commanded the internment camp at Florence in April 1945.

2. The petitioner has in his possession the receipt that was issued him by the American when they requisitioned his money. It reads as follows:

PW Camp 334
United States Army

Ricevuta n. 8690, data 24-4-1945, intestata a Rusticelli Dante - Soldato per L. 1850.

Thanking you for the consideration you may deem this request to merit, I am

File H.55 30514/6/A
Enclosure 1

FROM : Mr. Caw. BRANCOLO MARINO
Via Benedetto 42,
Rome.

8 June 1945

In the case of B. AL MARINO, widow, B. AL MARINO, B. AL MARINO, B. AL MARINO, B. AL MARINO, children and heirs of the late B. AL MARINO, I bring to your notice the following:

On the 14 March 1945 at about 20.25 hrs. B. AL MARINO, aged 39, was about to board a passenger car on the platform of the station of Via Venezia and in Solferino, Rome, when together with other persons he was not only harassed over by a small motor vehicle H.2 4667-0 driven by an English man, A. A. MARINO, H.10 H.A.G.F. then living at the Continental Hotel. B. AL MARINO received serious head injuries and was immediately taken to the Policlinico where he died soon after, as testified by the attached certificate issued by the Hospital.

The responsibility of the English driver is beyond dispute; he was driving at a mad pace and braked down early and within his named lane of driving.

B. AL MARINO was the owner and director of an important industrial firm for selling marble in Via Salaria 16-18, with yards at Salaria. This was brought him in a considerable income calculated at about 1,000,000 lire net, with which he maintained not only his own family but also those of his two sons, B. AL MARINO and B. AL MARINO, with their wives and children, was, as a result of all, married contracted during the war, was not able to do a full time job. Because of the pressure work of B. AL MARINO due to the aftermath of the war, this income was almost completely ceased.

Further one died on the day in question was carrying in his leather bag all his cash - about 40,000 lire of which 12,000 he had collected that day a few hours before the accident, as can be testified to by the w/a dated 29.6.45. B. AL MARINO, B. AL MARINO, B. AL MARINO. Both the money and the brown leather bag, with an automatic extender fastening and containing various documents, were left found through an earlier witness states that it was placed in the officer's car which carried B. AL MARINO to the Hospital. Two Italian soldiers accompanied B. AL MARINO to Hospital were arrested outside the Hospital the same evening by the G.P. of the Station of Via dei Filippi, for attempting to remove staff from the English officer's vehicle. It is expected that the sum of 40,000 lire and the bag were stolen by the same, and investigations are being carried out by the G.P. The present letter therefore is a request that your Bureau will give consideration to the family for the serious damage caused them by the death of the head of the family, B. AL MARINO, which took place under the circumstances above described through the fault of the a/n English driver. Witnesses of this are the following:

1. D. AL MARINO, living in Via S. Rosa 12, Rome, present at the accident.
2. B. AL MARINO, living in Via Salaria 15, Rome,
3. C. AL MARINO, living in Via Salaria 39, Rome, present at the withdrawal of the 12,000 lire shortly before the accident.
4. C. AL MARINO, Banker of Credito Italiano
5. BRANCOLO MARINO, living in Via Attilio Regolo 15, Rome,

785017

In the case of E. M. Mario, widow, and Mario, and Mario, and Mario, children and heirs of the late Mario, I desire to give notice the following:

On the 16 March 1945 at about 20.30 hrs, the said Mario, aged 29, was about to meet a passenger car near at the junction of Via Roma and Via Solferino, Rome, when together with other persons he was suddenly involved over by a small motor vehicle N.2 4556730 driven by an English (last name), aged 10 B.A.S.M., then living at the Continental Hotel, 112, 113, and received serious head injuries and was immediately taken to the Policlinico where he died soon after, as testified by the attached certificate issued by the Hospital.

The responsibility of the English driver is beyond dispute; he was driving at a high speed and knocked down people who were not within his normal line of driving.

Mr. E. M. Mario was the owner and director of an important industrial firm for many years in Via Suburbana 10-12, with yards at Portofino. This work brought him in a considerable income calculated at about 1,000,000 lire net, with which he maintained not only his own family but also those of his two sons (Mariano and Mario, with their wives and children), who, as a result of illnesses contracted during the war, are not able to do a full time job. Because of the premature death of his wife and the enormous expenses, this income has almost completely ceased.

Furthermore lived on the day in question was carrying in his leather bag all his cash - about 40,000 lire of which 12,000 he had collected that day a few hours before the accident, as can be testified to by the 1/2 letter 2963 of the Italian Consulate, Milan. Both the money and the brown leather bag, with an automatic revolver fastening and containing various documents, were found through an outdoor witness stating that it was placed in the trunk of a car which carried him to the hospital. An Italian witness who accompanied him to hospital was arrested outside the hospital the same evening by the G.P.M. of the station of Via del Milite, for attempting to remove stuff from the English driver's vehicle. It is emphasized that the sum of 40,000 lire and the bag were stolen by the same, and investigations are being carried out by the G.P.M.

The present letter therefore is a request that your Council will give compensation to the family for the serious damage caused them by the death of the head of the family, Mr. E. M. Mario, which took place under the circumstances above described through the fault of the English driver. Witnesses of this are the following:

1. DANIELLO MARIO, living in Via S. Rosa 12, Rome, present at the accident.
2. MARIO MARIO, living in Via S. Rosa 12, Rome, " " " "
3. MARIO MARIO, living in Viale Solferino 59, Rome, present at the withdrawal of the 12,000 lire shortly before the accident.
4. CORNELIO MARIO, director of Cottarelli
5. DANIELLO MARIO, living in Via Attilio Regolo 15, Rome, " " " "

Trusting to receive a favorable reply,
I remain yours faithfully,

Avv. Mario Mario

U.S. Following on the statement of the facts, various documents were handed to the English Consul, written by permission of the judicial and financial authorities, showing the considerable income of the deceased Mrs. Harlow and the high standard of life of the family. Mr. [redacted] pointed out to Capt. [redacted], head of the office of [redacted] in the English Consulate, the importance of Mrs. Harlow's firm as well as the deceased's business activities outside of his own, which enabled her to make substantial savings. These latter activities were generally not subject to taxation and their calculation for the tax on "transferable wealth" were exclusively limited to the income of the firm and this amounted to a figure much lower than the rest of it. Thus far calculating the damage suffered by the family as a result of the death of Mrs. Harlow, the authorities of the [redacted] office of [redacted] cannot be taken as exclusive evidence of the [redacted].

In calculating the damage therefore, all these facts concerning the different incomes [redacted] to [redacted] his own business activities must be taken into account.

Summary-Translation

27 April 1946.
MAY 4 1946

The writer states that on the 30 Sept 45 he was driving his FIAT 500 along the train lines leading into Geneva when an Allied motor lorry crashed into him at a cross roads in Via dei Mille. The lorry was driven by Sepoy Banarsidass Riace, No 297218. It bore the sign of the Red Cross, belonged to the HQ of the Indian Command, and carried the number A 5379454 and on the hood 56800. The driver Banarsidass stated that he was unable to avoid the collision as his brakes did not function.

The writer, his son and a passenger received cuts and bruises, and his wife a fractured shoulder. The heavy damages to the FIAT were calculated at 150,000 lire.

The claimant presented the necessary documents to Claims & Hearings in Geneva, asking for immediate reimbursement or to be given another car. The file was forwarded to Torino where the claimant went on the 20 Feb. He was interviewed by Capt Drake, who told him he would send the file back to Geneva and claimant should present there his estimate for compensation. This he did but though seven months have passed, he has not yet received anything.

The claimant receives a meagre salary out of which he has to support his wife, two children and mother-in-law. He has not the means to pay for a lawyer and only asks for compensation for the damages to the car which is necessary to him in his work.

Nel gennaio 1944, durante, cioè, il periodo di maggiore oppressione nazifascista, conobbi qui in Chieti il T. Colonnello Sig. Louis M. Ivovic (OO55745) dell'Intelligence Service ed entrai in rapporti di amicizia con lui. Mi chiese ed ottenne un prestito di L.10.000 per far fronte ai bisogni dei prigionieri inglesi fuggiti dai campi di concentramento e rifugiatisi o in montagna, ovvero facenti parte di bande partigiane armate qui in Abruzzo. L'Ivovic mi dichiarò espressamente che la somma mi sarebbe stata restituita subito dopo l'avvento, qui da noi, delle truppe alleate, ed in proposito mi rilasciò apposita dichiarazione scritta, che, però, nel febbraio 1944 fui costretto distruggere per evitare che cadesse in mano della polizia tedesca, la quale veniva spesso in casa mia ad operare requisizioni di mobili.

Nel 17 agosto 1944, dopo due mesi dall'ingresso in questa città delle truppe alleate, ritornò qui l'Ivovic, che nel marzo od aprile precedente aveva varcato la linea del fronte e si era recato nell'Italia del sud, e sua mia richiesta mi rilasciò nuova dichiarazione, di cui invio a V.E. copia fotografica.

Nel gennaio 1945 con pubblici manifesti furono invitati tutti coloro che avevano dato aiuti economici ai prigionieri alleati, a presentarsi ad un ufficio di questo Comune i titoli e documenti in loro possesso, attestati tali aiuti. Poiché tale ufficio non rilasciava alcuna ricevuta, i documenti che gli venivano consegnati, anziché presentare l'originale duplicato di dichiarazione rilasciata dall'Ivovic il 17 agosto 1944, come testè cenato, produssi una copia, dichiarandoci pronto a presentare l'originale di dichiarazione al momento in cui mi fosse stata restituita la somma che avevo prestato: ciò non per diffidenza, ma unicamente per tema che la dichiarazione stessa potesse andare smarrita ed io avessi a restare senza alcun documento.

Poichè tale ufficio non rilasciava alcuna ricevuta, ai documenti che gli venivano consegnati, anzichè presentare l'originale duplicato di dichiarazione rilasciata dall'Ivovic il 17 agosto 1944, come testè cen- nato, produssi una copia, dichiarandoci pronto a presentare l'originale di- chiarazione al momento in cui mi fosse stata restituita la somma che avevo prestatato: ciò non per diffidenza, ma unicamente per tema che la dichiara- zione stessa potesse andare smarrita ed io avessi a restare senza alcun documento.

Il 7 novembre scorso venne qui un Ufficiale Inglese, accompagnato da

un soldato interprete, Vincenzo Picozzi, per ri-
prendere agli interessati le somme prestate ed il corrispettivo degli aiuti
portati ai prigionieri alleati; e con mia sorpresa rilevai che il mio nome non
figurava nell'elenco di dette persone.

Mi presentai allora all'Ufficiale, gli mostrai la
dichiarazione originale dell'Ivovic e gli chiesi la ragione per cui non si era creduto far-
mi restituzione delle diecimila lire che pur avevo sborsate e prestate.
Fui invitato a consegnare detta dichiarazione e mi si assicurò che presto
avrei avuto il rimborso della somma. Dall'interprete Sig. Picozzi Vincenzo
mi fu rilasciata apposita dichiarazione, di cui rimetto a V.E. copia fo-
tografica.

Sono trascorsi altri sei mesi circa da tale fatto e tutto tace e
nulla ho ricevuto di quanto ho pur diritto di riavere!

Non credo davvero che l'Inghilterra abbia bisogno delle mie dieci-
mila lire, e d'altro canto io sono presente a V.E. che il denaro che oggi mi
si restituirà, per effetto della svalutazione monetaria in atto, non rap-
presenta che meno del decimo del valore che la somma stessa aveva quando
io la sborsai!

Prego, pertanto, V.E. perchè voglia benignarsi impartire al compe-
tente ufficio la necessaria disposizione affinché finalmente, dopo oltre
due anni, io possa conseguire la restituzione per lo meno della somma
capitale che sborsai ed occorre per porgere i necessari aiuti ai pri-
gionieri ingliesi!

Come la dovuta osservanza.

AMMIRAGLIO Sir STONE

R O M A

APR 29 1946

Io sottoscritta Signora BIZZARRI in FAICIASECCA GINA residente a Pesaro, mi permetto di rivolgermi all'Illustre Signoria Vostra, affinché prenda visione del mio grave caso, in cui mi trovo, vedova di Famiglia, con 5 figli a mio carico, senza nessun provento, ma solo la pietà e la commiserazione della bontà altrui che in qualche modo a stenti tiro avanti la mia esistenza. Trattasi di un grave incidente accaduto al mio povero marito a Rimini il 13 gennaio 1945, che fu investito da un camion militare inglese, che lo uccise sul colpo, e da allora con tutti i passi fatti per ottenere un'aiuto, se non altro necessario a sfamare i miei cinque innocenti bambini, il cui maggiore ha 14 anni, non sono mai stata ascoltata. Mi sono permesso di rivolgermi direttamente a Voi, sapendovi tanto di cuore, e so che aiutate chiunque a voi si rivolga. Vogliate scusare se ho abusato della V. cortesia, ma conto che provvederete in tutto ciò che Voi potete per aiutare il mio caso, cui io posso presentare tutti gli accertamenti del fatto come è avvenuto. Colgo occasione per porgere anticipatamente i miei rispettosissimi omaggi e credetemi in fede devotissima

Dear

Brigadier

The enclosed document has arrived in this office, addressed to Arthur Stewart. I opened it, as it was not marked "Confidential", to see how urgent it was, and whether any mistake had been made.

I've no idea where Arthur is at the moment, but perhaps you could get someone to forward to document to him. I have informed the Director of Recruitment that there will be some delay.

Thank you very much for your nice letter of 19 March. I'm so glad the Admiral enjoyed his visit - we loved having him, and he was a most considerate "chief" to P.A. for. Regarding Margery Radulovic, she has already been in touch with me, and I found her a job in the War Office some months ago, but she was unable to accept it. I'm afraid now there is little possibility of getting anyone new into Civil Affairs here - establishments are being reduced, and there is a surplus of ATS Staff Officers who are not yet due for release, or who have deferred.

Should I hear of a job which hasn't already got a string of applicants, I will certainly get in touch with Margery, but I don't hold out many hopes.

Things are fairly quiet here. Mary Sharpe has been demobilised, and the office isn't the same without her.

Please give my love to Mrs. Lush 2945

Yours

*Sincerely,
Pat Lush*
