Paganal Grozdan agent- citizenship

ref. N°23401 -29/10/46

Answering to the a/m letter relative to the subject, I inform you that Paganal Grozdan Augusto of late Dott. Giuseppe and Milena Ponis, born in Gorizia on the 6.3.1910 emigrated to Yugoslavia before the census of the year 1921. Since this period Paganal didn't live in the comune of Gorizia, therefore no information about his moral and political conduct can be given, failing the items for the stipulation of an opinion on his behalf.

From the records and registers of the comune it resulted that the father of the person concerned, had his residence in the former comune of Prevacina, (later aggregated to the comune of Montespino) and that on the 24.11.21 he presented the option for the Yugoslav citizenship for himself, his wife and his son Grozdan, (pars.art. 80 of the treaty of S. Germain) and obtained the residence in Maribor (Yugoslavia)

As Paganal was born in the year 1910, when Gorizia was a part of Austria, he had presumedly at that time the Austrian citizenship, and when he transferred to Yugoslavia he obtained the Yugoslav citizenship.

To the Ministry for Foreign affairs - ROME

The relatives of the a/m who resides here, had no news of him since the beginning of the war. They asked therefore this Presidency to make the necessary inquiries,-

He lives already 40 years in Città del Messico, - and is a wellknown manager of an important export- firm.

His father-in-law is reported to be the lawyer Guizzar Mendoza, well known in the Città del Messico.

We beg kindly to dispose the necessary investigations and I will be grateful for your informations on behalf.

R O M E

With ltr ref 14034/Rag, dtd 10.11.1946 we informed you of the following:

" For necessary action I am hereby passing on to you the attached application of the above referred to person, whose aim is to obtain the pension allowances, owing to unfitness for service due to fire arm wounds, caused to him by the partisans on April 1942."

" As it is shown by the hereto attached abstracted list of the quotas turned in, the Guard Messenger LAURENTI is registered in the rolls of this Cassa as per his regular quotas turned in both by himself and by his Organisation since from 12.7.1928 to 31.12.1943."

" However considering that the wounds suffered by the Guard Messenger LAURENTI made him permanently unfit for the service and therefore are to be considered as the direct cause directly during the performance of his duties, we recommend that as to the granting of the pension allowances to the a/s person, be applied to him rules of art 32, letter D of the Lawful Order No 934 dtd 25.7.1941 regarding the Rules of the Contingency Funds (Cassa di Previdenza) for the pensions to the salaried categories of the local Organisations"

As no reply to this purpose has yet turned up and as concerned in a very needy situation, we hereby request this Cassa di Previdenza ~~immediately~~ ~~not~~ ~~the~~ ~~most~~ ~~possible~~ to settle this matter and kindly inform the issue of the same.
