AVAILABILITY REPORT NO. 16

1. Enclosed herewith is a list of materials which are neither controlled nor restricted and the allocation of which is consequently not affected by any of the Committees of the AFHRS (ITALIAN) BOARD.
2. This information is circulated for the use of addressees and has been compiled from miscellaneous reports recently received in this office.
3. It must, however, be borne in mind that AFHQ, as the only agency authorized to freeze stocks of materials in the forward area, has powers to freeze items additional to those shown in the list of Controlled and Restricted Items drawn up by the AFHRS (ITALIAN) BOARD.
4. It is, therefore, advisable that Services, desirous of acquiring any of the items on the enclosed list, first approach the Provincial Supply Officer, ALOOM concerned to ensure that no difficulties are placed in their way.
5. It is furthermore pointed out that publication of this list is no guarantee that the items have not since been disposed of.

AVAILABILITY REPORT NO. 13

1. Enclosed herewith is a list of materials which are neither controlled nor restricted and the allocation of which is consequently not affected by any of the Committees of the AFLR (ITALIAN) BOARD.

2. This information is circulated for the use of addressees and has been compiled from miscellaneous reports recently received in this office.

3. It must, however, be borne in mind that JAG, as the only agency authorized to freeze stocks of materials in the forward area, has powers to freeze items additional to those shown in the list of Controlled and Restricted Items drawn up by the AFLR (ITALIAN) BOARD.

4. It is, therefore, advisable that Services, desirous of acquiring any of the items on the enclosed list, first approach the Provincial Supply Officer, ALCON concerned to ensure that no difficulties are placed in their way.

5. It is furthermore pointed out that publication of this list is no guarantee that the items have not since been disposed of.

AVAILABILITY REPORT NO. 12

LRS/598

1. Enclosed herewith is a list of materials which are neither controlled nor restricted and the allocation of which is consequently not affected by any of the Committees of the AFMR (ITALIAN) BOARD.

2. This information is circulated for the use of addressees and has been compiled from miscellaneous reports recently received in this office.

3. It must, however, be born in mind that AFMR, as the only agency authorized to freeze stocks of materials in the forward area, has powers to freeze items additional to those shown in the list of Controlled and Restricted Items drawn up by the AFMR (ITALIAN) BOARD.

4. It is, therefore, advisable that Services, desirous of acquiring any of the items on the enclosed list, first approach the Provincial Supply Officer, ALOM, concerned to ensure that no difficulties are placed in their way.

5. It is furthermore pointed out that publication of this list is no guarantee that the items have not since been disposed of.

AVAILABILITY REPORT NO. 10

MAR 27 1945

1. Enclosed herewith is a list of materials which are neither controlled nor restricted and the allocation of which is consequently not affected by any of the Committees of the AFRC (ITALIAN) BOARD.

2. This information is circulated for the use of addressees and has been compiled from miscellaneous reports recently received in this office.

3. It must, however, be born in mind that AFRC, as the only agency authorized to freeze stocks of materials in the forward area, has powers to freeze items additional to those shown in the list of Controlled and Restricted Items drawn up by the AFRC (ITALIAN) BOARD.

4. It is, therefore, advisable that Services, desirous of acquiring any of the items on the enclosed list, first approach the Provincial Supply Officer, AC concerned to ensure that no difficulties are placed in their way.

5. It is furthermore pointed out that publication of this list is no guarantee that the items have not since been disposed of.

AVAILABILITY REPORT NO. 8

MAR 2 - 1945

1. Enclosed herewith is a list of materials which are neither controlled nor restricted and the allocation of which is consequently not affected by any of the Committees of the AFLR (ITALIAN) BOARD.

2. This information is circulated for the use of addressees and has been compiled from miscellaneous reports recently received in this office.

3. It must, however, be born in mind that AMG, as the only agency authorized to freeze stocks of materials in the forward area, has powers to freeze items additional to those shown in the list of Controlled and Restricted items drawn up by the AFLR (ITALIAN) BOARD.

4. It is, therefore, advisable that Services, desirous of acquiring any of the items on the enclosed list, first approach the Provincial Supply Officer, AC concerned to ensure that no difficulties are placed in their way.

5. It is furthermore pointed out that publication of this list is no guarantee that the items have not since been disposed of.

AVAILABILITY REPORT NO. 7

1. Enclosed herewith is a list of materials which are neither controlled nor restricted and the allocation of which is consequently not affected by any of the Committees of the AFIR (ITALIAN) BOARD.
2. This information is circulated for the use of addressees and has been compiled from miscellaneous reports recently received in this office.
3. It must, however, be born in mind that AMG, as the only agency authorized to freeze stocks of materials in the forward area, has powers to freeze items additional to those shown in the list of Controlled and Restricted items drawn up by the AFLR (ITALIAN) BOARD.
4. It is, therefore, advisable that Services, desirous of acquiring any of the items on the enclosed list, first approach the Provincial Supply Officer AC concerned to ensure that no difficulties are placed in their way.
5. It is furthermore pointed out that publication of this list is no guarantee that the items have not since been disposed of.

AVAILABILITY REPORT NO. 6
FEB 14 1945

LRS/598/23

1. Enclosed herewith is a list of materials which are neither controlled nor restricted and the allocation of which is consequently not affected by any of the Committees of the AFER (ITALIAN) BOARD.
2. This information is circulated for the use of addressees and has been compiled from miscellaneous reports recently received in this office.
3. It must, however, be born in mind that AMG, as the only agency authorized to freeze stocks of materials in the forward area, has powers to freeze items additional to those shown in the list of Controlled and Restricted Items drawn up by the AFER (ITALIAN) BOARD.
4. It is, therefore, advisable that Services, desirous of acquiring any of the items on the enclosed list, first approach the Provincial Supply Officer, AC concerned to ensure that no difficulties are placed in their way.
5. It is furthermore pointed out that publication of this list is no guarantee that the items have not since been disposed of.

AVAILABILITY REPORT NO. 5

FEB 6 1945

1. Enclosed herewith is a list of materials which are neither controlled nor restricted and the allocation of which is consequently not affected by any of the Committees of the AFHQ (ITALIAN) BOARD.

2. This information is circulated for the use of addressees and has been compiled from miscellaneous reports recently received in this office.

3. It must, however, be born in mind that AMG, as the only agency authorized to freeze stocks of materials in the forward area, has powers to freeze items additional to those shown in the list of Controlled and Restricted Items drawn up by the AFHQ (ITALIAN) BOARD.

4. It is, therefore, advisable that Services, desirous of acquiring any of the items on the enclosed list, first approach the Provincial Supply Officer, AC concerned to ensure that no difficulties are placed in their way.

5. It is furthermore pointed out that publication of this list is no guarantee that the items have not since been disposed of.
