The Castellammare-Torre Annunziata port is important for civilian food supplies and perhaps opening more ports and using them such as Salerno, Anzio, Pionbino, etc. will discourage these strike threats and walk-outs of port workers.

SUBJECT : Industry Sub-Commission on Coal Strike.  
TO : Major J.C. Eively, C.S.C.

1. Reference Folder on Daily Reports on Industrial Unrest and Trade Disputes Mar. 17.

Industry Sub-Commission considers that this reverts to the Political Situation. The Italian Ministry has been endeavoring to remove President Sama for several months, contrary to the considered opinion of the Industry Sub-Commission.

President Sama is honest, cooperative and has worked with the Mining Division on many problems for nearly one year. It is felt that a change at this time is not to the best interest of Sardinian coal production.

2. Reference Remarks column of Folio M.

a) Paragraph 1 states that strike was due to misunderstanding by workers and lack of instructions to Carbonard by the Italian Government. Therefore it is quite evident the President Sama could not have been responsible.

b) Paragraph 2 refers to pay for labor while striking. President Sama would have no authority to do this even though it were considered correct procedure.

c) These are examples showing how certain individuals may be discredited and unrest started.

THE AVERAGE BASE PAY IS 4 LIRE PER HOUR. THE MINERS ARE REQUESTING AN INCREASE OF 200% OF THE BASE PAY, OR 8 LIRE PER HOUR. THIS WOULD REPRESENT AN INCREASE OF 64 LIRE PER DAY (ON THE BASIS OF 8 HOURS PER DAY). AT PRESENT TIME THE COAL MINERS IN SARDINIA EARN AN AVERAGE OF 120 LIRE PER DAY.<br>2. SOME OF THE MINERS HAVE ASKED FOR THE ABOLITION OF PIECE-WORK ON THE GROUND THAT IT IS A FORM OF EXPLOITATION. ACCORDING TO INGEGNERE CARTA (HEAD OF TECHNICAL SERVICES), HOWEVER, THE MAJORITY OF THE WORKERS PREFER PIECE-WORK BECAUSE IT INSURES GREATER RETURNS TO WILLING WORKERS.<br>3. THE DIRECTOR OF THE MINES HAS REFUSED THE REQUEST FOR AN INCREASE IN WAGES ON THE GROUND THAT NO INCREASE IS POSSIBLE UNTIL THE PRICE OF COAL IS RAISED. IT IS FURTHER STATED THAT THIS IS A MATTER FOR THE MINISTRY OF INDUSTRY, COMMERCE AND LABOUR TO DECIDE.<br>4. | Italian Gov.<br>and<br>Allied Authorities | 1. Pay to workers for time lost during previous strike Jan. 11 to Jan. 17, 1945.<br>2. Extra rations of food for workers to take home to their families.<br>3. No workers to be recruited outside of Sardinia.<br>4. Reinstatement of Ing. Russo to Carbosarda (Coal Company). | 23/2/45       | No date set.     |         |       | High Commissioner for Sardinia;<br>Prefect of Cagliari;<br>Quarters of Cagliari. | Regional Commissioner;<br>Industry Sub-Commission. | 1. Strike of Jan. 11 was due to a misunderstanding. Workers demanded payment for 54th week. Mine directors were willing to pay but were awaiting orders from Rome. After strike started other demands were made for higher wages, more food, clothing, and no Sunday work.<br>Strike ended on Jan. 17. Workers were given assurance of 54th week's pay. No other demands were set.<br>2. The primary reason for this threatened strike is for payment of the workers for time lost during last strike.<br>3. Workers' leaders have been clamoring for President Sanna's removal. Mr. Sanna was appointed at the request of A.C. in proposed reorganization of Carbosarda. Minister Gronchi has suggested removal of Ing. Sanna. |

Capt. Holston, R.L.O. | The first threat was made about 10 days ago for an increase in wages. Following discussions between C.G.I.L., representatives of employees concerned and Prince Doris an agreement was reached whereby employees would receive an advance of 2000 lire per month pending final decision by giunta (city council). Minister Soleri of the Treasury has intervened and has protested this advance because it may prejudice Government's position with respect to State and Para-statal employees. Prince Doris has called a meeting of the Giunta for to-day to decide whether or not to pay the requested advance. |
