INTER-OFFICE MEMORANDUM

AUG 27 1946

SUBJECT: Replacement of officers in Economic Section

TO : Executive Commissioner

1. The question of replacement of officers in the Economic Section will arise in the near future. I understand that there does exist a prospect of one or two officers being assigned to this Section.

2. Major Rothery (B), the sole remaining officer in the Commerce Branch, is due to leave at the end of September.

I have considered whether the duties of the Commerce Branch could be amalgamated with the Industry and Utilities Branch which at present has three officers on its proper strength. By the end of September, however, the Industry and Utilities Branch will probably have only one officer. I do not think, therefore, that Commerce can be merged into the Industry and Utilities Branch.

The main reason for the continuance of the Commerce Branch is A.M.G., Venezia Giulia, with which a number of technical matters arise.

I consider that Major Rothery should be replaced.

3. The other Branch in which the question of a replacement arises is Food and Agriculture. The sole officer in this Branch, Lt. Col. Snapp (A) is due to leave in the middle of September. The main reason for the continuance of this Branch is that it acts as a clearing office between A.F.H.Q. and the Italian Government in regard to the provision of all foodstuffs for mid-shift meals of all Allied employees. Moreover, the Chief Commissioner desires to be kept informed on such matters as the food economy of Italy, amassing, etc. etc.

I recommend that Lt. Col. Snapp should be replaced.

SUBJECT: Appointment as Deputy Director, Air Forces Sub-Commission.
TO : Commanding General, HTOUSA, APO 512, U.S. Army.

1. On the detachment of Colonel William L. Lee as Deputy Director, Air Forces Sub-Commission, I was informed by letter 210.3/71 dated 3 May from some Area HTOUSA that Colonel Robin A. Day, AC, O-10056, was to depart from the United States 20 May by air to relieve Colonel Lee.
2. Colonel Day has never reported for duty and nothing is known of his present location or plans.
3. Accordingly, on 11 July 1946, Lieutenant Colonel Frank D. Marek, AC, O1697913, was appointed Deputy Director, Air Forces Sub-Commission, effective 1 May 1946. Since that time, Colonel Marek has performed his duties in such a manner that I see no advantage in altering his appointment at this time.
4. Will you please advise the War Department of my views.
5. If, on the other hand, Colonel Day must come, he will be appointed Deputy Director, Air Forces Sub-Commission, vice Lieutenant Colonel Marek.

I want to tell you about certain changes which will have to take place in the distribution of Public Safety Officers in Liaison Groups.

As no doubt you know we are extremely short of these officers, and priority must be given first to A.M.G. Venezia Giulia and then to Udine. I do not feel justified in compulsorily deferring Public Safety Officers in Venezia Giulia and Udine while there are officers of later release groups in the Liaison Teams. The only alternative therefore is to cut down the Liaison Teams, which, after all, is in conformity with the general policy of this Commission.

You will therefore be receiving a cable ordering Major A.G.P. Way to proceed to Udine and although I realise that this will leave you very short (without a P.S.O.), and that it will place a greater burden upon you, I know that you will see the necessity for the move and accept it in that spirit.

I do not feel justified in compulsorily deferring Public Safety officers unless it is absolutely necessary and there are no replacements available.

With regard to your Public Safety officers, Cotton and Glasspool are due for release on about 26th July and Manuel on 3rd Sept. Each of these is anxious to return home as their future careers are at stake.

Hopkins and Lee are willing to stay and are being deferred as operationally vital. I feel sure and I know you will agree that three officers will be able to efficiently supervise Public Safety duties in your Province and with this end in view I am sending to you Major A.G.P. Way from Bologna who is willing to remain our here for a time. He is an excellent officer in every respect and will adequately fill Manuel's position. He will come to you during the third week in August.

I regret the necessity to cut your strength down but I know you will realise the necessity and accept it in that spirit.
