Chief Staff Officer,
Office of the Executive Commissioner

Reference your letter 7008/187/EC dated 3rd August 1946.

In accordance with the last paragraph of your letter, I herewith re-submit my application for leave commencing 4th November and ending on the 10th November, both dates inclusive.

This application is submitted now in view of the fact that the American personnel in the Message Centre are familiar with the work and that in the future, with untrained staff here, leave to say the least, would be inconvenient.

Should this leave be granted, I am not proposing to leave the vicinity of Rome and should therefore be available at short notice if any emergency should arise.

It is desired to bring to your notice the case of the above named officer. He has been a member of the A.C. Liaison Group in GEMOVA, but that Group will very shortly close, after which Capt. TOMER is required for employment at this H.Q. in the Archives Section.

Before beginning his work here, Capt. TOMER, for family reasons, is particularly anxious to have a period of leave in U.K. The difficulty involved is that Capt. TOMER is Age/Service Group 15 1971, and is perfectly prepared to sign on for 6 months or even for another year provided he can be guaranteed continued employment at this H.Q. Such a guarantee may well be given in the fairly near future but at the moment it is not possible to guarantee employment beyond the end of October. Capt. TOMER has signed a certificate, which is in possession of this H.Q. that he will, if given leave, continue to serve at this H.Q. until the end of October, and in view of this it is earnestly requested that Capt. TOMER be allowed to proceed to U.K. on 15 days leave. Owing to the shortage of officers and the long-term nature of the work of Archives Branch in which Capt. TOMER will be employed, it is urged that it is in the best interests of the service that this request should be granted. It is of course appreciated that the procedure asked for may not be in accordance with the strictest interpretation of the leave regulations, but this is to some extent a special case and it is requested that, if necessary, the matter may be referred to the Area Commander personally for his ruling.

I have received your letter of 21st January with copy attached of a letter from Mr Keeling, M.P. for Trickerham, concerning the application by one of his constituents, L/Opl Jackson, for leave to AUSTRIA.

NR

I entirely agree with you that the request is a reasonable one, but when forwarded to GHQ, it was refused under authority GHQ CMF letter, (an extract of which is attached) which states that Leave to Austria for the purpose of tracing missing relatives may not be granted. Compassionate Leave to contact such relatives may be granted only after they have first been located by the Tracing Bureau.

It would greatly assist this case, I am sure, if you would initiate additional enquiries concerning the whereabouts of the Mrs Jackson in question, who you will remember, is described as a widow believed to be living in Vienna.

L/Opl Jackson has been informed of the necessary procedure.

JAN 1 1946

Sir,

I have the honour to request that I may be granted the balance of my LIAP in view of the fact that I was recalled ten days before the expiration of my legal period of leave.

I am particularly anxious to have this granted before the end of the present month in order to settle some urgent legal questions which will make my presence necessary in London before January 31 - (My firm A & G Tooth, Solicitors, 38, Lincoln's Inn Fields, will confirm this if necessary). As by failing to do so, I stand the risk of losing a considerable amount of money, I am quite willing to refund to the Government the expenses entailed for my transportation to London and back.

I, Corporal Rocco Germani, (ASN 32505602), have been in the Army for three and half years. On 16 November 1945, I had to be redeployed according to my service rating score, but I volunteered for further service.

At this month's end or in the early days of December, I would like to go to Sardinia by air accompanied by my wife, Mrs. Antonia Carta Germani, (000536), for an approximate 7 days.

I am very grateful to you, Sir, if I could get a week off from your office, and also to see that the Travel Orders are made accordingly.

TO : Executive Commissioner

I have looked into the case of PIDSLEY's Air Linq, and it appears that he went to RAAC and fixed this up for himself. The first ISIA knew about it was signal from RAAC to Freedom, copy to ISIA, stating that PIDSLEY was nominated for Air Linq on 3 July.

ISIA realise that they have slipped up badly in not informing us and regret their error.

My dear Pennycuik:

I have your letter of 1st September and sympathise with your anxiety to get home on LIAP as soon as possible. I must, however, point out that your priority - top of the list for vacancies - has taken precedence over 9 others of earlier dates of embarkation and with equally or even stronger reasons for wishing to go home quickly.

I hope that you will get off soon and send you my best wishes for an enjoyable leave.

Yours sincerely,

(Sgd) Maurice Rush.

4 Sept 1945

Lt. Col. Hodgson seems to have been convinced of your anxiety to get PENNYQUICK away on leave and has committed us to give him the next AIR LIAP vacancy. By so doing PENNYQUICK, who embarked 15 Oct 43 and is 10th on our list, now takes precedence over 9 others. (Pidsley heads the list having embarked on 26 Oct 42.)

Our AIR LIAP vacancies have been temporarily reduced from 1 per month to 1 per 2 months and I have enquired from A.F.H.Q. whether that takes effect immediately or whether we still get the 1 vacancy due to us on or about 24 Sept.

If PENNYQUICK takes the next vacancy he should at least realise his good fortune and not agitate as he has done by phone, letter and personal visits, to be told the exact date. He can of course see his Dist HQs and try to wangle a LAND LIAP.

Dear Brig. Lusk -

You will, I fear, be more than sick of my appeals for leave, but as a result of your help, I received a most hopeful wire 3932 dated 22nd of August which referred to AIR WAF and said: "Col Pennycombe will be allocated the next vacancy which is due in September." I am afraid,

therefore, I optimistically hurried up the monthly reports and tidied up loose ends, only to be told yesterday, by the Chief Clerk ^{of the B.A.C.} that the vacancy may be towards the end of September.

As there is a large draft of B.C. Chapr now in Naples about to go home on leave by air, (Perry came in to see ^{me} yesterday) might it still be possible to get this vacancy filled in September? I ought to be back here in Naples early in October I think, when readjustments of personnel and area will be, I suppose in full swing; and also, quite frankly, I do want to get back before the school holidays will be over. It might be that a word put in would bring the leave vacancy early in September, and I should be very grateful for another push to help over this -

SEE F. 109-110

Yours sincerely

J.A.C. Pennycombe
