1. Ref Jaland H-10 I suggest an explanatory letter is desirable to explain the amalgamation of IRB & DPSC. From the instructions I get an impression that IRB is essentially no more that is more or less entirely Italian front matter.
2. Regions should be included in district list of only for information.

W.B.

Speaks for Folio. All also says dist. was carefully considered and they haven't Regions yet concerned - They got copy of the order setting up DP & R, S.C. which is enough.
