Reference your R4/211 (C) of 27 February 1944.

1. "Operating Staff" mentioned in para 2 (b) of our 47/18/CA of 24 February 1944 refers to HQ Admin. officers, as examples given were intended to indicate.

2. Executive Memorandum No.21 of 15 February 1944 announces the titles of Heads of Special Divisions in Regional and Provincial MG/ACC Staffs.

3. Where there is more than one officer in a Special Division of Regional or Provincial H.Q., these officers may be referred to by you as "Deputy" or "Deputy Assistant" e.g. Regional Supply Officers, Deputy Regional Supply Officers, Deputy Assistant Regional Supply Officers, according to assignment.

4. It must be understood that the application of any such title may not be considered as admitting any claim to advancement in military rank.

5. It is hoped that the foregoing clears up any doubt you may have had in this matter; a hard and fast ruling hardly appears desirable or necessary.

1. Reference Memo 41/18/CA, dated 24 Feb. 1944. It is pointed out tnat, if the term "operating staff" includes officers employed in the Special Divisions, the application of the direction in paragraph 2 (b) will result in their being no difference between the title of the Head of a Division and his staff. Under this latest ruling officers employed, for example, in the Public Health or Supply Divisions of Regional Headquarters will be described as Regional Public Health or Regional Supply Officers which, under Executive Memorandum No. 21, dated 15th February, 1944, are the titles of the Heads of the Divisions concerned.

Similar considerationswill apply at Provincial level.

2. It is desired that the matter may be further clarified.
