1. AMB min 04/532206/42 du Feb 5 and 020 HRP min 36590/AG1A du 18 Feb, and discussions - Maj. Gen. Theron and Lt. Col. de Met with Briggs Westrop and Fleury at Algiers on 20 Feb, have ref.

(a) It was agreed that the existing No. 2 PW Transit Camp on the UDF list should, in the future, perform the functions visualised for the Reception Camp proposed in Appendix 13, to AMB, referred to above.

(b) It was pointed out that the UDF is most anxious to keep the org of No. 2 PW Transit Camp in being, so as to be able to meet any eventualities or future contingencies regarding released PWs.

(c) The utilisation of No. 2 PW Transit Camp as agreed will obviate the necessity for the UK authorities making provision for the necessary staff for the Reception Camp.

(3) It is approved that the existing staff of No. 2 PW Transit Camp is somewhat in excess of the list laid down for the proposed Reception Camp (vide Appendix 13) but it was suggested that such excess could temporarily usefully be employed on loan with the displaced persons sub-committee of the Allied Control Commission so that such personnel would be available and experienced when any expansion of the org of No. 2 PW Transit Camp is called for. They would continue to be officially assigned the UDF list of No. 2 PW Transit Camp.

2. Reverting to the subject of the control of the camp, it was agreed that the camp should be controlled by the UDF.

785017

10 Feb, and discussions - Maj Gen Heron and Lt Col. de Met with Major Westrop and Alworthy at Algiers on 20 Feb, have ref.

- (a) It was agreed that the existing No. 2 PW Transit Camp on the UK Est should, in the future, perform the functions visualised for the Reception Camp proposed in Appendix 'B' to AHA referred to above.
- (b) It was pointed out that the UK Est is most anxious to keep the org of No. 2 PW Transit Camp in being, so as to be able to meet any eventualities or future contingencies regarding returned POWs.
- (c) The utilisation of No. 2 PW Transit Camp as agreed will obviate the necessity for the UK authorities making provision for the necessary staff for the Reception Camp.
- (d) It is appreciated that the existing staff of No. 2 PW Transit Camp is somewhat in excess of the staff needed for the proposed Reception Camp (vide Appendix 'B'), but it was suggested that such excess could temporarily usefully be employed on loan with the displaced persons sub-committee of the Allied Central Commission so that such personnel would be available and experienced when any expansion of the org of No. 2 PW Transit Camp is called for. They would continue to be carried against the UK Est of No. 2 PW Transit Camp.

2. Regarding expanded UK personnel serving with the UK Est (see 19 Jan 59) it was pointed out that their future employment is at the disposal of the UK authorities.

3. The attachment of other Allied personnel etc representatives as visualised in para 4. of the min referred to, could be effected to No. 2 PW Transit Camp as taking the place of the proposed Reception Camp.

4. Will AHA please confirm these arrangements.

Yours faithfully,
for Maj Gen.

From:- Colonel W.G. Pidsley.

Headquarters,
P.W. Sub Commission,
C.M.F.

19th February 1945.

Dear Brigadier

1. Confirming our conversation yesterday.

- (a) The personnel of the P.W. Sub Commission temporarily loaned to the D.P.S.C. are to remain on the W.E. of the P.W.S.C. until that unit is disbanded, or until they can be absorbed on the W.E. of the D.P.S.C.
- (b) You are preparing a proposed W.E. for D.P.S.C. so that it can be considered by A.P.H.Q. (W.E. Committee) at the same time as they consider the new P.W. establishment and the disbandment of the P.W.S.C. (i.e., about 6 March). This is necessary in order that the personnel loaned to D.P.S.C. can, if still required by D.P.S.C., be held on an authorized W.E.; they would otherwise be put on the "W" list and made available for posting elsewhere.
- (c) We are agreed that the W.E. proposed by Col. Kirkwood is too extravagant in ranks and numbers, and that it should be based on future requirements rather than on ranks and numbers surplus to and available from P.W.S.C.
- (d) If Junior officers, W.Os. and N.C.Os. are needed over and above those available from P.W.S.C., they can be found from "low category personnel" in reinforcement depots.

2. I am due to go back to A.P.H.Q. (attached G-4 British) on 21 Feb and, subject to your agreement, will report to them on these lines in accordance with my terms of reference.

1108

Yours sincerely

W. Pidsley.

1. I HAVE INSTRUCTED PW SUB COMMISSION TO TRANSFER TO DISPLACED PERSONS SUB COMMISSION AS TEMPORARY MEASURE ALL PERSONNEL SURPLUS TO PRESENT REQUIREMENTS. 2. ROBERT CAN NOT AGREE AMALGAMATION OF PW SUB COMMISSION AND DISPLACED PERSONS SUB COMMISSION BECAUSE FORMER INCLUDES A NUMBER OF DOMINION AND ALLIED PERSONNEL LENT SPECIFICALLY TO ASSIST ESCAPED PW AND THEIR TRANSFER TO DISPLACED PERSONS SUB COMMISSION CAN ONLY BE EFFECTED WITH CONCURRENCE OF CONCERNED DOMINIONS. I ALSO THINK THAT IT WOULD BE SIMPLER AND MORE EFFECTIVE IF ESCAPED PW WERE DEALT WITH THROUGH NORMAL CHANNELS AS A PURELY MILITARY COMMITMENT. 3. TO AUGMENT NORMAL MILITARY CHANNELS WE SHALL REED FROM PW SUB COMMISSION APPROXIMATELY 17 OFFRS 42 OR. DETAILS OF THESE AREA ARE KNOWN BY COLONEL ROBINSON PW SUB COMMISSION. THIS SHOULD LEAVE APPROXIMATELY 60 OFFRS AND 300 OR AVAILABLE FOR TRANSFER TO DISPLACED PERSONS SUB COMMISSION. 4. FROM THIS TOTAL MUST HOWEVER BE DEDUCTED (A) A SMALL NUMBER OF OFFRS AND/OR LENT TO DISTRICTS ETC AND BY NOW PROBABLY ABSORBED IN THEIR ESTABLISHMENTS. 31 JANUARY 1944

SUBJECT : Displaced ^{Persons} Subcommission Personnel
TO : Brigadier Gueterbock

1. Journey: Thursday, January 27, Left Naples 0830 hrs.
Arrived Brindisi 2015 hrs.

Friday, January 28, left Brindisi 1330 hrs.,
via Taranto to Matera. Arrived 1630 hrs.

Saturday, January 28, left Matera 1000 hrs.,
via Potenza and Salerno to Naples, arriving
1910 hrs.

2. Friday, January 28, preliminary meeting with Lt. Col. Hammer and Staff, 0930 hrs., to discuss personnel questions. Had sight of cable instructing Col. Kirkwood to take over operating duties of Prisoner of War Subcommission.

3. 0950 hrs. Col. Kirkwood joined the meeting and took over discussions. He confirmed that he was taking over Prisoner of War Subcommission duties and would take over staff already assigned to that Subcommission. He, therefore, considered that his personnel problems were unlikely to be completely solved as he would receive 80 officers and 350 ORs as part of the turnover. He understands that these are not personnel assigned to the Military Section and therefore part of A.C.C. establishment as they were a separate organization set up by Brig. Venables. The operation of Prisoners of War camps has been conducted in the past by a number of officers in excess of what Col. Kirkwood considers to be the actual requirements. By cutting down these operating staffs he anticipates that he will have a surplus of officers and other ranks sufficient to meet all his requirements.

4. In view of the above he proposes to release all officers who have been attached on loan from Region V and other sources, including the following:

Lt. Col. A.C. Bowman	(A)
Major J.E. Foden	(B)
Major J.W.A. Kayser	(B)
Captain G. Bump	(A)
Major J.S. Bennett	(B)

No replacements will be required for the above specialists or for any other officers of Region V.

Displaced Persons Subcommittee Personnel (Cont'd)

5. There is a question as to whether these 80 officers and 350 EM/OR will require to be absorbed into the global war establishment and the T/O of 2675 Regiment.

6. The final result of his reorganization will be that he will use only those personnel actually assigned to Internees and Displaced Persons Subcommittee.

7. Requirements: Summing up the discussions, Col. Kirkwood said that his main requirements were;

(a) To be allowed to get on with the job assigned to him.

(b) To arrive at a solution of his transportation problems. Here he cited the fact that of the 20 vehicles promised to him for his work he had received only 7. Those outstanding were listed as follows:

- 6 Jeeps
- 2 weapons carriers or 15 Cwt. trucks
- 1 Command & reconnaissance car with trailer
- 2 Sedan or staff cars
- 1 Three ton truck
- 1 P U vehicle

To which he wished to add 1 P.U. to replace the one at present held which is entirely out of commission and which it is unlikely can be repaired. He asked that if we were instructed to supply these vehicles after they had been released from P.B.S. on instructions from A.F.H.Q. he could be sent new vehicles or at least vehicles that were in a reasonable state of repair and fully equipped.

(c) Under instructions received from Advance Administrative Echelon, A.F.H.Q. (copy of these instructions have been asked for) District II have been told to turn over all their responsibilities which they have hitherto discharged on behalf of the refugee organization to Col. Kirkwood. This District II proposes to do literally which will involve the withdrawal of the use of vehicles used for drawing rations and meeting other transportation requirements, withdrawing the use of ^{both} units, disinfecting units, warehouses, Signal unit and other minor services. This will create a problem of supply necessary to reinstate these services for refugees. It is suggested that if a transfer of the units could be effected the problem would be solved but if the units could not be transferred the equipment might be transferred to the charge of Col. Kirkwood's organization.

1284

785017

Declassified E.O. 12356 Section 3.3/NND No.

He might then be able to staff new operating units from the personnel at his disposal. able N° 2212, 29th January refers- Copy attached.

8. Office supplies and stationery: Separate report with requisition has been sent to you.

9. Office space: In the Western Italy Headquarters of the Sub-Commission required to work with forward refugee organization there will be 7 officers and 15 ORs. Under the present organization, Lt. Col. Macfarlane and one other officer will be the liaison between the Sub-commission and Headquarters, A.C.C. and will require one room.

Displaced Persons Subcommittee personnel (Cont'd.)

Lt. Col. Bowman and 4 other officers, with 2 clerical staff, should be in the same place as Col. MacFarland and would require two rooms for officers and one room for clerks. Col. MacFarland would be expected to use the same clerical staff as Col. Bowman. Col. Kirkwood considers that this would best be at Naples, especially in view of the fact that he does not wish to set up a separate refugee camp at Salerno. (It was originally suggested that a camp to accommodate 10,000 persons should be established in the Salerno area, in addition to a camp of similar size in the Naples area). Wherever the office space is provided it should at least be near enough to be in easy telephonic and physical communication with Headquarters, A.C.C. For this reason Naples is to be preferred.

10. Present Headquarters location, Displaced Persons Subcommittee:

Palazzo del Governo, Bari. Telephone- Bari 13902, or in emergency through District II switch board. It is notified that this may be temporary location only. Address for cables FATIMA REAR Cite DISPER.

11. It has not yet been decided exactly how the field refugee section of Headquarters, AMG/ACMF will be absorbed into Col. Kirkwood's organization and it may be that Lt. Col. Hulls, in charge of this section and his Staff will require to be accommodated in ACC office space. (The officers of this section are now located in the Prefettura, Naples.)

1. Attached are additional copies of the report submitted JAN 31.
2. They were received pending my talks with Brig. WASH which has not yet taken place.
3. He also also advised that Brig. WASH would discuss the whole question of refugees and displaced persons with Col. WOOD on the occasion of his recent visit, and so, getting first-hand information, my talk would be unnecessary. I understand that no such talks have been held.
4. The distribution chosen has not been effected; instructions requested, please.
