HEADQUARTERS REGION IV
Allied Control Commission
APO 394

Ref: R4/323.3(AL) 9 May, 1944

SUBJECT: Records
TO : As per distribution on allocation list.

In its eventual form Region IV will be very dispersed. In the near future component parts may have to do a great deal of moving.

In such circumstances the maintenance of accurate and up to date location lists of officers, men and vehicles is most important. It is also very difficult.

H. Region IV will do its best to help Provinces and Divisions by continuing to publish the recently instituted weekly location statement of officers, men and vehicles. These lists will lose their value if they are not carefully checked by the recipients and omissions and inaccuracies (which are quite likely to occur) are not immediately reported back to H. Region.

HEADQUARTERS
A.M.G. 5th. ARMY (FIELD)
A.P.O. 464 U.S. ARMY.

29th March 1944.

Subject: Location Statements. 1/21.

To : HQ, ACC (Sec K.10 Section).

1. Reference your 89/2/GA, dated 25th March 1944.

2. Your A20/720/8, dated 27th January 1944, required weekly location statements of officers, beginning as of 5th February 1944, one such statement was rendered by this H.Q.

3. HQ, ACC, 16098/G-1, dated 8th February 1944, required monthly returns of officers, on a prescribed pro-forma, and said, in para 4, the following:

"It is intended that this return will be the only one required to be submitted to this office,....."

4. HQ, ACC 16098/G-1, dated 15th February 1944, required a monthly return of OR/WO on the same pro-forma, referred to in para.3.

5. The requirements of HQ, ACC 16098/G-1, dated 8th February 1944 and 15th February 1944, were superseded, or cancelled, by HQ, ACC 16098/G-1, dated 14th March and 16th March 1944, which prescribed monthly returns of officers on Form ACC R1, and of British ORs on Form ACC R2.

6. This headquarters points out that all the information requested by your 89/2/GA, dated 25th March 1944, will appear as of 23.59 hours 31st March 1944 on the return to be rendered on or before 5th April 1944 on Form ACC R1. To produce a separate list of part of the same data, as of 1st April 1944, would entail a very considerable burden of clerical work, beyond the volume of such work for which this HQ is manned. It is suggested that the regular ACC R1 return might be found sufficient.

7. It is further requested that in view of the language of para 4 of HQ, ACC 16098/G-1, dated 8th February 1944, and in view of the lack of adequate clerical force for producing other returns than those now required, under HQ, ACC 16098/G-1 of 14th and 16th March 1944, all requirements of other returns, and specifically of returns under your 89/2/GA, dated 25th March 1944, be cancelled.

For the Commanding General.

S.B. MAYNE,
Lt. Colonel, GSC,
for C. of S.,
A.M.G. 5th. Army.

Copy to G-1, HQ, ACC.

ACC R1 is all that is required.
