1. Reference your 343/404/CA dated 26 September, we regret that we are still no nearer getting this matter cleared up.

2. As we previously told you, old Region IV (later Region 2, Region XII and now Venezia Region) did not pass the file over to us. We wrote to them but received no satisfactory reply. We tried them again as it appeared to us that they were mistakenly trying to trace it through their own Personnel files (as if L/Bar North was on their strength). So far we have had no reply to our second letter.

3. In the meantime we asked you (by phone) for a copy but understand that there is only a covering letter in your files. May we suggest that you ask HQ AAI for a copy. We enclose a second copy of this letter in case you care to forward it.

3. When sending us Appendix "C" please send us copies of the pro forma required for obtaining the Parents consent and the medical certificate.

4. While we shall do our best to speed the return of the documents it is pointed out that it will in most cases take some time to obtain the necessary certificates. It is observed that most of the cases fall within one Region namely Region 5.

5. Medical Certificates and Parents consent will of course be obtained and produced by the Italian party to the marriage but they will be advised of what is required.
