Education Subcommittee

ED/3-10/ACC

27 April 1944

SUBJECT: Establishing Ministry of Education in or near Naples.

TO : The Administrative Director.

1. The new Minister of National Education has requested and received from the Head of his Government permission to establish his Ministry in or near Naples.

2. Since the territory involved is occupied, the Minister has requested of us permission for the move to Naples.

3. On certain grounds the move appears justified and fruitful. These grounds are:

(1) It would constitute a certain relief on over-crowding at Salerno.

(2) It would facilitate the gathering of an adequate staff for the Ministry of National Education, since not a few technicians whom the new Minister wishes to use reside in Naples, where the Minister's own residence and retinue are already established.

(3) It would put the Minister in more direct contact with the technicians in our own Education Subcommittee (who have remained in Naples), at a time when more and more of our collaboration is well within policies already agreed upon.

(4) His under-Secretary may, if necessary, establish an office in Salerno.

(5) It need not disturb immediately or greatly the present distribution of the Education Subcommittee Staff.

4. It is recommended that the move be authorized.

Ref. 1.

Col Gurneith asked me if the possibilities of quartering the war ministry somewhere between SALERNO and POTENZA could be explored.

Should we ask Regions III & II now, or wait til reply to 1 has been given.

SUBJECT: Use of Municipio at NOCERA Inferiore for
accommodation of Italian War Ministry.

TO : Provincial Commissioner, SALERNO Province,
Allied Control Commission.

Reference conversation - Cols. ROBERTSON -
QUINSMITH, 1630 hours today 26th April.

It would be appreciated if you would state
if it is possible to allot the Municipio for accommo-
dation by the Italian War Ministry. This is part of
a proposal to quarter the whole staffs concerned. My
Q9327 of 26 April, copy to you, refers.

Should the above move take place perhaps you
will indicate what alternative arrangements are pos-
sible (if any) to continue the functioning of municipal
authority in the town concerned. The matter will then
be passed to higher authority for consideration.

Lt. Col.

(G. W. QUINSMITH)

Copy to:
RC & MG Sec. who will
note Chief Commissioner
has directed that the
quartering of War Ministry
and S.M.R.E. in CAMPANIA be
investigated.
