RESTRICTED.

1. Reference is made to letter of 30 July reference 40-19/44/FOOD subject allocations-flour.

2. Attention is invited to our signal FR/FOOD/S/3 of 30 July. Position of PIEMONTE especially TORINO has been well known for several months.

3. As stated by Food SC advanced letter of 26 July no plans have been made to import wheat into north ITALY except for LIGURIA and VENEZIA, and after 1 August bread ration would depend almost entirely on local production. To date amassing in TORINO has been failure and has been poor elsewhere in PIEMONTE. Explanation in your letter of 30 July that failure to receive 10 day reports has prevented appropriate action from being taken is incorrect.

4. This Hq relied heavily on (5TH ARMY) AMT allocation of 4 July for July and August which was curtailed to about 25% by letter of 23 July. Request that full allocation of 4 July be honored.

5. TORINO now has 3 day supply of grain/flour plus 5 days more reported in transit. TORINO is entirely dependent on grain from outside.

6. Request suspension of deliveries of grain/flour to all PIEMONTE Provinces other than AOSTA and TORINO, and request that delivery of all allocations be hastened and concentrated in only AOSTA and TORINO.

Subject is jeep withdrawals.

1. Jeeps will be handled in by FWDs to 10 ARMY for DISPOSAL in accordance with G (AB) Ltr Gp 12 and the following provisions.

| (A) FWD | (B) QTY | (C) DATE OF BAG IN | (D) REMARKS |
|---|---|---|---|
| DIVISIONS | 150 | 8 9 and 10 August | 30 per day |
| 13 CORPS | 75 | 11 August | |

| BAAF | 10 | 14 August | |
| AIRCRAFT | 15 | 14 August | |
| ENGINEERS | 150 | 15 16 and 17 August | 30 per day under DIVISIONS arrangements |

2. For guidance of addressees not on distribution of original withdrawal policy signal (our FX 74755) of 13 May) it is emphasized that after withdrawal from units which can most easily surrender jeeps without loss of efficiency in their present role the reallocation of transport remaining under command is left to discretion of commanders. Only in most exceptional cases will replacement vehs be made available by FRUSA. If in order to meet requirements of withdrawal programme it is necessary to withdraw from units which would then be unable to operate in their present role they must be provided with most suitable substitute vehs from other units under command which can now operate with reduced scale of lyts.

2. 5TH ARMY has agreed transfer responsibility for AMG in territory described in letter AG-383/061 LOG O dated 5 July.

3. The authority of the Army Commander to issue instructions in light of unforseen circumstances is unquestioned. It is presumed however that such instructions would be those necessitated by operational reasons, since there can be no dual responsibility for AMG.

4. SACMED has directed that BOLOGNA, MODENA and REGGIO Provinces shall be returned to the Italian Govt on 4 August 1945.

5. For AICOM. In conference LUSH-KENN on 26 July question of transfer of PISTOIA, TRENTO and BOLZANO areas to Provincial AMG control was raised. Views of AICOM by letter or signal are desired.

This is MAT 347. Issues of AC/AFHQ funds.

In case of loss of funds of ALLIED COMMISSION, it is necessary to take steps in accordance with British or US procedure as case may require. WAR DEPARTMENT does not consider AFHQ funds to be WAR DEPARTMENT funds.

Under British military law in case of finding of wrongful act or negligence occasioning any loss, court martial or authority having power under sec 47 of the Army Act may award stoppage of pay. Otherwise no recovery possible against officer in whose custody such funds were placed. If facts are in doubt practice is to hold court of inquiry.

American procedure provides for board of officers to report on facts and for disciplinary action in appropriate cases. American procedure does not permit any stoppage of pay to effect restitution whether or not negligence is established.
